Mr. Marsters of Marshfield partner of Mr. McLain arrived in Port Orford Monday to superintend the construction of Hume's Cold Storage building here. He commenced work with a gang of men Tuesday afternoon.

### Do Your Best

Girls and women who are starting on a business, professional or industrial career, each and every one of them would do well to embroider a motto in large letters upon their inner consciousness, says the New Idea Woman's Magazine for August. The words to be elaborately emblazoned where none else may see, are these: „What-ever comes to you to be done, do it with the the best within you."

There comes a time to all when we have to perform big and little tasks that are distasteful to us.

The girl who has a college or even a high-school education, in starting out upon a business life, will frequently be called upon to do things that she may consider beneath her dignity. But that is no excuse for not doing them well.

The stenographer often may be asked to do the errands of the office boy; the teacher may find that she will have to sweep the school-room floor—a duty that the janitor has carelessly failed to do; or the girl in the library may have to carry a large armful of books, a work which obviously belongs to the porter. None of these duties were included in the bargain when the girl or woman sought employment.

For this reason the performance of the hated tasks is done with a careless hand and no interested thought. But whenever a task comes to your hand to be done, no matter what it is, do it with the best that is in you, for every task has its useful lesson.

It is just as honorable to wash dishes well as to run a bank successfully. The girl who can paint a beautiful picture should be as proud of her ability to dust a room thoroughly as to portray a sunset in brilliant colors. The prophets of the Bible told us to do all things to the glory of God. It does not matter whether dishes are to be washed, floors to be scrubbed, a dinner cooked, a poem written or a marble chiseled. One act of service is as good as another. 'All depends on its performance.

Help for Those Who Have Stomach Trouble.

After doctoring for about twelve years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctors' fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much good that she continued to use them and they have done her more good than all of the medicine I bought before.—Samuel Boyer, Folsom, Iowa. This medicine is for sale by R. S. Knowlton. Sample free.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Would Have Saved Him \$100.00.

"In 1902 I had a very severe attack of diarrhoea," says R. N. Farrar of Cat Island, La. "For several weeks I was unable to do anything. On March 18, 1907, I had a similar attack, and took Chamberlain's Colic, Cholera and Diarrhoea Remedy which gave me prompt relief. I consider it one of the best medicines of its kind in the world, and had I used it in 1902 believe it would have saved me a hundred dollar doctor's bill." Sold by R. S. Knowlton.

This is what Hon. Jake Moore, State Warden of Georgia, says of Kodol for Dyspepsia: "E. C. De Witt & Co., Chicago, Ill.—Dear Sir—I have suffered more than twenty years from indigestion. About eight months ago I had grown so much worse that I could not digest a crust of corn bread and could not retain anything on my stomach. I lost 25 lbs; in fact I made up my mind that I could not live but a short time when a friend of mine recommended Kodol. I consented to try it to please him and was better in one day. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity may be benefited. Yours very truly, Jake C. Moore, Atlanta, Aug. 10, 1904." Sold by R. S. Knowlton.
