The Steamer Favorite is now running on a new schedule. She leaves Bandon at 6:45 a. m. and at 1:20 p. m., and Coquille 9:15 a. m. and 4 p. m., thus making two round trips each day. This is proving a great convenience to the traveling public, particularly those wishing a little time at the county seat; being able to come by the morning boat and return by the evening boat, gives them from 9 a. m. till 4 p. m. to transact business.

Have you noticed that the clothes you buy at Robinson's retain their shape and last longer than any others? They combine style with strength and durability.

W. H. Schroeder, of this city, went to the Bay Thursday to see what the prospects are for disposing of Arago brick there. He reports that there is demand for brick on the Bay side, and that all that can be in the way is transportation that would be too high. The quality of the brick now being turned out at the Arago kilns is highly satisfactory wherever tried. There is no question but the clay now being used at that place is very fine brick material and the time is not far distant when great quantities of them will be used where transportation can be had.

This is what Hon. Jake Moore, State Warden of Georgia, says of Kodol for Dyspepsia: "E. C. DeWitt & Co., Chicago, Ill.—Dear Sir—I have suffered more than twenty years from indigestion. About eight months ago I had grown so much worse that I could not digest a crust of corn bread and could not retain anything on my stomach. I lost 25 lbs; in fact I made up my mind that I could not live but a short time when a friend of mine recommended Kodol. I consented to try it to please him and was better in one day. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity may be benefited. Yours very truly, Jake C. Moore, Atlanta, Aug. 10, 1904." Sold by R. S. Knowlton.
