Summer complaints and other serious ailments common in hot weather can be traced to the stomach nine times out of ten. Keep the stomach in good order right now by keeping a bottle of Kodol handy in the house all the time, but especially during this month. Take Kodol whenever you feel that you need it. That is the only time you need to take Kodol. Just when you need it; then you will not be troubled with sour stomach, belching, gas on the stomach, bloating, dyspepsia and indigestion. prop by R. S. Knowlton.
