WEDNESDAY, AUG. 19, 1908.

## HERE IS A LIBRARY FREE.

### Chance for some Lodge, Church, Society, or Club to Obtain it

One hundred and fifty dollars worth of books—and nobody dares guess how much worth of information and amusement—are on view in the window of the N. Lorenz dry goods store.

Want them? Step over to the store when you are down town this afternoon or tomorrow and look the lot over. You will see one hundred volumes handsomely bound in colored cloth filling and a five section solid oak book case. Do you like to keep up on all the latest novels, the brightest most entertaining and amusing tales of the past few years? If you do, take a look at these books and think it over.

This library is to go to some church, school, lodge or other organization. The public will be allowed to decide which organization shall have it, and this will be done by voting. The lodge, society, school, or church securing the largest number of votes by Jan. 20th 1909 will be awarded the library. In the meantime be sure and see for yourself just what this library is. Then make up your mind whether it wouldn't be just the thing for your lodge or your church. Books are expensive and money is scarce just now. But the merchants of Coquille offer an opportunity to get one hundred and fifty dollars worth of books for the organization where you think it will do most good. Remember to have the privilege of voting will cost you nothing. A number of merchants will issue votes with each ten cent purchase and you can then vote for your choice of societies, which you would like to receive this library. The votes are to be deposited in a ballot box located at Knowlton's Drug store. Full information and list of merchants giving votes can be had at the following stores: J. A. Lamb & Co., W. C. Laird, Getty & Collier, Fred Slagle, The City Bakery, R. S. Knowlton, N. Lorenz, The White House, Land & Lyons, W. H. Schroeder.

In addition to the foregoing the COQUILLE HERALD is enrolled on the list, and for every year's subscription, past due or in advance, paid to this office are given 15 votes. Likewise are votes given on job work brought in, one vote being allowed for every ten cents of value of work. Pay a year's subscription of \$1.50 and get your 15 ballots for the award of this beautiful library, or get votes by purchases at the establishments named. The handsome oak case with its equally handsome volumes may be seen, remember, at N. Lorenz' dry goods store.

### A Faithful friend

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy since it was first introduced to the public in 1872, and have never found one instance where a cure was not speedily effected by its use. I have been a commercial traveler for eighteen years, and never start out on a trip without this, my faithful friend," says H. S. Nichols of Oakland, Ind. Ter. When a man has used a remedy for thirty-five years he knows its value and is competent to speak of it. For sale by R. S. Knowlton.

## M. W. A. Excursion.

A mammoth success in the best sense of the term was the excursion to Bandon last Sunday, given under the auspices of the Modern Woodmen of America. A conservative estimate places the number of participants at 1400, and it is safe to assume that all bear a happy recollection of the countless enjoyments of the day.

The train from Marshfield pulled into Coquille with all the company's available rolling stock crowded with humanity. The contingent from the bay towns exceeded, in fact, every expectation, and there were proportionate delegations sent from both Coquille and Myrtle Point, not to mention Bandon itself which turned out en masse for participation in the day's festivities. All the steamers and other craft plying on the lower river were pressed into service to convey the multitude. The steamer Echo also ran through to Bandon with Myrtle Point's army of merry-makers.

The weather was perfection, the crowd very orderly, and the delightful scenery afforded along the route was enjoyed to the uttermost. Arrived at the city-by-the-sea, the excursionists betook themselves to the picturesque beach, and in due time lent proper justice to the old-fashioned clam-bake, no insignificant feature of which was the toothsome rock-oyster so noted in that section.

The merry-makers returned to Coquille about dusk, connecting with the special for Marshfield, and all voted the Modern Woodmen entertainers of the very highest order.

### Chronic Diarrhoea Relieved

Mr. Edward E. Henry, with the United States Express Co., Chicago, writes: "Our General Superintendent, Mr. Quick, handed me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy some time ago to check an attack on the old chronic diarrhoea. I have used it since that time and cured many of our trains who have been sick. I am an old soldier who served with Rutherford B. Hayes and William McKinley four years in the 23rd Ohio Regiment, and have no ailment except chronic diarrhoea, which this remedy stops at once." For sale by R. S. Knowlton.

## Splendid Baseball

Coquille's baseball aggregation is distinguishing itself anew this season, and we congratulate the boys on their splendid work the past few games. Last Sunday's contest was the crowning one of all for superb playing on the local grounds. Three to two was the score in favor of Coquille, eleven innings being necessary to determine the result. And they were eleven fiercely fought battle-for-blood rounds at that—a struggle whose closeness and expert performance kept the crowd wildly excited to the finish.

Marshfield's work was good, to be sure, though her batting fell short of Coquille's, the visitors finding the air more than the ball in the face of Gardiner's bewildering "curves." Hartley saved the situation for our boys when in the eleventh, with two strikes against him and Gardner and Howell both on the bags, he landed a high one in phenomenal style, bringing in a man and deciding the contest hurriedly. The score was a tie of 2 to 2 in the ninth inning.

Such exhibitions of genuine baseball as was that of Sunday is certain to elevate the sport in this county, and we are glad to see it and to know that Coquille's team now leads the quartette with a percentage of 72.7—8 games won and 3 lost. Bandon comes 2d, Marshfield 3d, and North Bend last.

The game at Bandon Sunday between the Seaside and North Benders resulted in a victory for the former team; score 11 to 7. The contest, while a spirited one, was not as interesting as it might have been. The star player with the Benders is said to have been Herron, the new shortstop lately imported from Seattle.

The result is one bottle cured him and he has not suffered with the disease for eighteen months. Before taking this remedy he was a constant sufferer. He is now sound and well, and although sixty years old, can do as much work as a young man." Sold by R. S. Knowlton.
