"During the period from 1860 to 1900 the proportion of children to 1000 women of child-bearing age decreased in the United States by 152, or an average of about 30 in each decade. If we assume that the change will continue unchecked for a century and a half in the direction which it has been during the last 40 years, there will be no children left." This startling statement came out in the lecture on birth and birthrate delivered by Prof. Walter F. Wilcox in the course on sanitation in Goodwin Smith Hospital at Ithaca, New York.

**Muscular Pains Cured**  
"During the summer of 1903 I was troubled with muscular pains in the instep of my foot," says Mr S Pedlar, of Toronto, Ont. "At times it was so painful I could hardly walk. Chamberlain's Pain Balm was recommended to me, so I tried it and was completely cured by one small bottle. I have since recom- mended it to several of my friends, all of whom speak highly of it." For sale by R S Knowlton.

The Pittsburgh ladies are awful particular. One has got a divorce from her husband just because he hadn't taken a bath in 17 years.

**For Eczema Tetter and Salt Rheum**  
I have used Chamberlain's Stomach and Liver Tablets for some time and can testify that they have done me more good than any tablets I have ever used. My trouble was a heavy dull feeling after eating. David Freeman, Kemp, Nova Scotia. These tablets strengthen the stomach and improve the digestion. They also regulate the liver and the bowels. They are far superior to pills but cost no more. Get a free sample at R S Knowlton's drug store and see what a splendid medicine it is.

**FOR SALE.**  
A good dairy ranch, five miles below Bandon. A fine chance for anyone wishing to go into the dairy business. 30 or 40 acres of good beaver dam land; 160 acres in all. A fine stream of water running through the place, plenty of fish, being near Boak lake, plenty of fruit and berries, also near the ocean and Sunset City addition to Bandon, good roads school handy, commands fine view of the Ocean, well broken from winds, shell fishing handy. Old age cause of wishing to sell. For particulars see Ed Taylor on the place.

**Good Cough Medicine for Children**  
The season for coughs and colds is now at hand, and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs F F Starcher of Ripley, W Va, says "I have never used anything other than Chamberlain's Cough Remedy for my children, and it has always given good satisfaction." This remedy contains no opium or other narcotic, and may be given as confidently to a child as to an adult. For sale by R S Knowlton.

**Do You Intend to Build?**  
If So Did you stop to consider that a building made out of cement blocks is almost indestructible and fireproof?  
Did you stop to consider that the first cost is almost the last cost?  
Did you stop to consider that sand and gravel, washed and cleaned by the ocean, together with proper proportion of Portland cement, makes the finest blocks and bricks in the world.

**Beware of Frequent Colds**  
A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few persons ever fully recover. Give every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy? It is highly recommended. Mrs M White of Butler, Tenn, says: "Several years ago I was bothered with my throat and lungs. Someone told me of Chamberlain's Cough Remedy. I began using it and it relieved me at once. Now my throat and lungs are sound and well." For sale by R S Knowlton.
