Personal Appeal to Oregonians

Portland, March 1.—Today is an extremely important one in the growth and advancement of the state of Oregon. It is the opening day of the lowest priced one-way tickets to the state sold for years, and calculated on the basis of rate per mile, Oregon has the advantage of every other state in the Union. Tickets for Oregon points will be on sale today and continue until April 30th, at every ticket office in the United States and Canada, and if the buyer of the ticket is posted in advance he can get a ride from Winnipeg, Canada, to the farthest rail point in Oregon for \$25. This same fare applies from St. Paul, Omaha and Kansas City, while from St. Louis it is \$30.50, Chicago \$33, New York \$50., and proportionate rates from every other place.

To spread the knowledge of these rates the people of Portland are doing everything in their power, and leaflets are going out in almost every letter that leaves the city, advising that people can buy their tickets to any point just as cheaply as to Portland. Every city, town and village in the state should get busy in its own behalf to tell Eastern people of this fact. There is every indication now that the travel will be very heavy—it should be enormous. Every reader of this paper should take this article as a personal appeal and do his full share toward adding to the population of the state.

All the doubt about the new railroad through Central Oregon have been removed by the definite promise of Secretary of the Interior Garfield that proposed construction maps will be approved by March 4th. Forty million dollars will be expended by the Harriman System in building this line, but its benefits to the people of Oregon will be many times that great sum.

A series of the most enthusiastic meetings ever held in Eastern Oregon and Washington are being held under the auspices of the various commercial bodies. Addresses by Manager Tom Richardson of the Portland Commercial Club on the advantages to be derived from publicity work have resulted in the raising of generous sums. In but thirty minutes, Walla Walla subscribed, \$8,000, and her citizens are determined to increase this to \$20,000 before undertaking a great advertising campaign. Milton, Oregon got \$1,000 in a quarter hour, with \$500 more in sight—Freewater and Milton will co-operate in their campaign. The most spirited meeting held by the Pendleton Commercial Association in six months—and they have been actively at work during the past year—outlined plans along even broader and more vigorous lines. W. A. Moore was elected President.

Announcement comes that Rear Admiral Robley D. Evans is to lecture in Portland and other Pacific Northwest cities late in March. "The Fleet from Hampton Roads to San Francisco" will be his subject.

Prof. H. A. Howell of Havana, Cuba, recommends Chamberlain's Cough Remedy.

"As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now," writes Prof. H. A. Howell, of Howell's American School, Havana, Cuba. "On the night of February 3rd our baby was taken sick with a very severe cold, the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in the arms every moment. Even then his breathing was difficult. I did not think he would live until morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now, three days after, he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy, and that only, saved the life of our dear little boy." For sale by R. S. Knowlton.

Big Money for F. J. Heney.

"Great God! Can such things be and overcome us as a summer cloud?" A special to the Oregonian from Washington, dated the 27th ult., states that Francis J. Heney had just been paid \$65,000 for his services as special prosecutor of Oregon land frauds. Besides this Mr. Heney will receive further compensation, for contrary to public knowledge, he is still retained on the payroll of the government, and paid out of special appropriations placed at the hands of the Attorney-General. Since Mr. Heney retired from the active prosecution of the land fraud cases, he has been, says the Attorney-General, retained in an advisory capacity to co-operate with and advise other government counsel, in whose hands rests the prosecution of the cases still untied. Those who are close to Mr. Taft freely express the opinion that the next President does not entertain for Mr. Heney the same regard that he has been shown by Mr. Roosevelt, and, according to these authorities, the "advisory" services of Mr. Heney may be dispensed with. With what Heney is securing from Spreckels for prosecuting the San Francisco alleged grafters, Heney must, after adding Roosevelt's present, have arrived at the retiring age. It is to be hoped he will take Burns, his man Friday, with him.

Quick relief may be had by applying Chamberlain's Salve. It allays the itching and smarting almost instantly. Many cases have been cured by its use. For sale by R. S. Knowlton.

WORST STORM IN MANY YEARS.

Several Inches of Snow and Sleet in Washington. Business at a Standstill.

Washington, D. C., March 4.—A storm here with almost unprecedented blowing, sleet and snowing, raged all night. It snowed hard all morning, and everything is at a standstill. The streets are full of ice, snow and sleet. The temperature is about 28 degrees and about four inches of snow have fallen.

Today's storm was the worst Washington has known in many years, and the car service was so uncertain that few people of the residential sections cared to venture forth for the inauguration.

The wet, clinging snow throughout the night wrought havoc with telephone and telegraph wires, completely cutting off the capital city from communication with the remainder of the country for many hours.

Lame Back
Whether resulting from a sprain or from rheumatic pains, there is nothing so good for a lame shoulder as Chamberlain's Pain Balm. Apply it freely and rub the parts vigorously at each application and a quick cure is certain. For sale by R. S. Knowlton.
