National Experts Will Address Oregon Threshermen.

Portland, April 12.-The steam perfected last fall.

Secretary Philip S. Bates has the programme slready well under way. Hon. James Wilson, Secretary of the Department of Agriculture, has appointed a special representative to discuss Good Roods; B. B. Clark, Editor of the country on thresher organization work, will address the meeting on Eastern Association methods. Prof. A. L. Rose, ranking equally high as a Traction Engine School man, will also be in attendance and talk. On the first evening of the covention a banquet will be served at the Commercial Club; and Secretary Bates is also arranging other entertainment.

Scheduled meetings of the Oregon Development League last week proved even greater successes than the most enthusiastic "boosters" anticipated. At Roseburg the committee got busy and raised \$5,the number of their subscribers; Rogue River section, and \$1,000 the interest of the audience. Oak- son.
