are distinctly Edison Phonograph evenings. Nobody wants to do any-thing but listen. Here is an idea—a new one. Get an Edison Phonograph. If you already have one, then you should have some of the latest records.

We now have the complete book of Edison records in stock. If you haven't the four minute attachment for playing the new four minute records, come in and see them, and hear the records. They are fine.

Catalogues of machines and records will be sent on applica-tion free of charge.
