Large congregations were present at both of the services held by Bishop Scadding at St. James' Episcopal church on Sunday. In the morning a baptismal service was followed by a fine discourse, and in the evening the Bishop confirmed a class of five and delivered a most able and impressive sermon, giving each one of his hearers much food for thought. The ladies of the Episcopal Guild gave a reception on Saturday evening at the residence of Mr. L. H. Hazard, that Bishop Scadding might have an opportunity of meeting the people of this mission. On Monday morning the Bishop, accompanied by Mrs. Scadding and the Rev. Mr. Horsfall, proceeded to Gardiner to hold services in the new mission there. Bishop and Mrs. Scadding will return to Portland by the first of October.

As to Reliability of Quality

ALL the thought, time and care spent upon the prescribing and the dispensing of your prescription is wasted unless the very foundation, the ingredients used in it, are correct and dependable in quality.

There is no other drug house that we know of that goes to more trouble and pains in selecting the best goods and in trying to find fault with its own goods than does this drug store.

We prefer that no fault be left for our customers to find.

Every practical, physical and chemical test is made to find that the goods in this store are in right condition.

These are our claims for absolute reliability.
