## BUBBLES.

BY J. H. O'BRIEN.

Fine feathers make my lady's hat expensive.

"Go thy way and sin" again, for such is the nature of man.

Few people hold a proper conception of the virtues of a wolf.

Sympathy is spurious and those who keep it in stock are sycophants.

There are more hell fearing fanatics than God loving christians.

Love is a dream, and for a short time will not hesitate to wash dishes.

If Adam had passed through boyhood days, Eve could never slip it to him so easy.

The scandal monger dips a poisoned pen in blood and writes a wrinkle on the soul.

Don't ask a red headed woman her age, it is quite as dangerous as it would be for a mouse to attempt to build a nest in a cat's ear.

A six hundred dollar per year preacher can tell you why God made the rose. But they are all stung when they take up the virtues of the thistle.

When I see a lady fondling and caressing a dog, I don't say a word. But I think how responsive the homeless babes of this land would be were they treated likewise, still I don't say anything. What's the use? The dog is not to blame.

Pic, Picnic and Picnicing are terms which are taken from the Greek *Cytoparos*, the Latin *Treates*, the Hebrew *Vistoyolance*, the Russians give it as *Presnic*. The Chinese *Yotafong* fills the bill and the tricky Jap sings out *Takitesky*. After careful study I find that the different terms nearly mean, submit to fate, or growing worse. I am master of the languages of the above mentioned tribes. This department will give information fully and freely along these lines.

Best Treatment For a Burn.

If for no other reason, Chamberlain's Salve should be kept in every household on account of its great value in the treatment of burns. It allays the pain almost instantly, and unless the injury is a severe one, heals the parts without leaving a scar. This salve is also unexcelled for chapped hands, sore nipples and diseases of the skin. Price, 25 cents. For sale by R. S. Knowlton.
