Port Orford Tribuna.

George Colvin arrived in town by Monday's stage, and local attraction induced him to lay over a day before resuming his journey to Gold Beach.

Poor Roseburg, with only 9 inches of November rainfall. Port Orford had nearly 32 inches! Roseburg only got the refuse drops after Port Orford was first served.

The ball Saturday night was attended by a surprisingly large attendance, and, barring some evidence of booze, was a decided success. Langlois was represented by Dr. Mann and wife, Clint Malchorn and wife, Fred and Julia Guerin, George and Ruby Sorensen, Addie Carey, Roy Haft and W. Norton.

How one Doctor Successfully Treats Pneumonia.

"In treating pneumonia," says Dr. W. J. Smith, of Sanders, Ala., "the only remedy I use for the lungs is Chamberlain's Cough Remedy. While, of course, I would treat other symptoms with different medicines, I have used this remedy many times in my medical practice and have yet failed to find a case where it has not controlled the trouble. I have used it myself, as has also my wife for coughs and colds repeatedly, and I most willingly and cheerfully recommend it as superior to any other cough remedy to my knowledge." For sale by R. S. Knowlton.

Martin
12 Gauge Repeating Shotgun
The 12 gauge Martin repeater is a gun of perfect proportions, and has one-third less parts than any other repeater. It handles quickly, works smoothly and shoots close and hard.
The Martin solid top prevents powder and gases blowing back; the side ejection of shells allows instant repeat shots; the closed-in breech keeps out all rain, snow and sleet, and the dirt, leaves, twigs and sand that clog up other repeaters.
All 12-gauge Martin repeaters have double extractors that pull any shell, and the automatic recoil hanging safety lock makes them the safest breech-loading guns built.
Martin 12 gauge repeaters in three distinct models, many grades and styles, fully described in our 120 page catalog. Free for a stamp postage.
