**Stauff Home Burned.**

The beautiful and substantial home on the farm of Alex Stauff at Arago was burned to the ground yesterday morning. The building took fire in the upper part, presumably in one of the bedrooms occupied by one of the young men.

The farm is being conducted and the residence occupied by the Ward Bros., and there were several persons about the house when the fire was discovered. All were down stairs and the smoke when first noticed was taken to be that from the fireplace, and when the cause of the smoke was found, the fire was beyond control, and everything on the upper floor was destroyed. Wm. Ward, the unmarried member of the firm, occupied rooms on the upper floor and all of his belongings were destroyed, as well as those of Mr. Eley. By prompt and hard work everything down stairs was saved.

This will prove a heavy loss to both Mr. Stauff and Messrs. Ward. We are not informed as to insurance.
