## Marlin

12 Gauge Repeating Shotgun

The 12 gauge Marlin repeater is a gun of perfect proportions, and has one-third less parts than any other repeater. It handles quickly, works smoothly and shoots close and hard.

The Marlin solid top prevents powder and gases blowing back; the side ejection of shells allows instant repeat shots; the closed-in breechbolt keeps out all rain, snow and sleet, and the dirt, leaves, twigs and sand that clog up other repeaters.

All 12-gauge Marlin repeaters have double extractors that pull any shell, and the automatic recoil hanging safety lock makes them the safest breech-loading gun unit.

Marlin 12 gauge repeaters in these distinct models, many grades and styles, fully described in our 136-page catalog. Free for 3 stamps postage.
