## Mrs. Alfred Johnson Passed Away.

Mrs. Alfred Johnson, the wife of the well-known lumberman of Coquille, who has been a great sufferer for the past two or three years passed away at the family residence in this city on Sunday, September 4, 1910, from a complication of diseases which has baffled the skill of the physicians here and at San Francisco and Oakland, and the end was not unexpected.

The deceased, formerly Georgie Anna McClintock, was born February 8, 1852, in Point Fortune, Canada, where she lived until 1862, when her parents moved to Waukesha, Wisconsin, and lived there until 1868 when she came to Manistee, Michigan, and was married to Alfred Johnson on June 19, 1869. To this union were born the following children: Ida Delle, Alfred George, Everett Elsworth, Charles Clintock, Katherine May, Ethel Margueret and Esther Irma, all of whom were born in Manistee, Michigan.

In 1889 they came west to California, where they lived until 1897 when they moved to Coquille. They all survive to mourn her sad demise.

The funeral was conducted at the M. E. Church, South, today, by Rev. C. H. Cleaves, and attended by a large number of sorrowing friends and acquaintances. The interment took place in the Masonic cemetery, to where the remains were followed by a large concourse of friends, and when the last sad rites were performed by her sisters, members of the Eastern Star, of which order she was a highly honored and respected member.

## Death of Al Willard

On Monday, September 5, 1910, the life of Al Willard, a well-known pioneer citizen of the Coquille valley passed to the great beyond, after a lingering illness from lung troubles, at his farm home near Prosper.

The deceased was born in Shanahan, Illinois, October 23, 1870, and was 39 years, 11 months and 22 days old at death.

Mr. Willard lived many years at the old home in the Roy settlement. He leaves a wife, formerly Miss McCue, and two sons, eleven and twelve years old, beside his mother, Mrs. O. R. Willard, two brothers, Capt. O. R. and Frank Willard, sister Mrs. A. G. Miller to mourn his untimely taking away.

The funeral services were conducted at the M. E. Church, South at 11 a. m. today, by Rev. C. H. Cleaves. The body was laid to rest in the Masonic cemetery, followed there by a large number of friends and relatives.

## Union Meetings Continue.

The Union Revival Meetings, led by Evangelist Van Marter and Hadley, are still continuing every night at the Masonic Hall, and good crowd are always in attendance. The services are thoughtful, interesting and much good is being done. Sunday morning Van preached on, fullness of Christ.

In the afternoon, there was a men's meeting at the Hall, and Van gave an excellent sermon to the large and enthusiastic audience.

At night his theme was "The Judgment." The sermon was searching and powerful. Van spoke of the two eternal vestiges of the world, Death and the Judgment, and many men deeply impressed. There have been many conversions the past week. The Meeting will continue through next Sunday. Remember Hadley sings an appropriate solo at every service.

Mrs. E. A. McDuffee brought into our office one day last week samples of peaches grown on their property in the north part of town. They were perfect in form and color, and was absolutely free from disease or blimish of any kind, and the flavor was equal to those grown in California or the valley sections. While it is not claimed that Coos county is a peach country, yet with the proper selection of the location the orchard and the proper cultivating of this particular variety, they would be a much greater success than it is generally supposed that they would be.

## You Expect Your Watch to do thus and so for You

But what about your side of the question? Do you give it the attention it deserves?

It isn't as though this watch care would cost you much, because it wouldn't.

Just the other way, in fact—one of the wisest strokes of economy that anyone can practice is to let a competent man take a peep into his or her watch occasionally.

You ask how frequently.

Once a year, anyway—oftener wouldn't hurt.

We are well fixed to look after all your repairing needs.

Therefore, we call upon all workers of the county to organize under the banner of the Socialist party of Oregon for the purpose of conquering the public favors for the working class as follows:

### DEMAND NO. I.

We especially demand the enfranchisement of all citizens over 21 years of age regardless of sex, color or property qualifications.

### DEMAND NO. II.

The democratic organization and management of all industries by the workers.

### DEMAND NO. III.

The socialist party when in office shall always and every where (until the present system is abolished) make the answer to this question its guiding rule of conduct: Will this legislature advance the interests of the working class and aid the workers in their class struggle against capitalism?
