Fishtrap and Vicinity

We had a light shower this morning and the weather still looks threatening.

There was a large attendance at the M. E. Church South, Sunday morning, where the Rev. Mr. Lyon preached his last sermon, before attending the Conference.

Mr. and Mrs. John Bell of Norway, took dinner with Mr. and Mrs. John Hall Sunday.

Mr. Wm. Wimer and family of Medford, visited the past week with E. A. Wimer and family.

The Ladies Aid Society will meet on Wednesday the fourteenth at Mrs. Fred Von Pegerts.

I stated in last weeks issue of the Herald that E. A. Wimer had oats averaging 80 bushels per acre, but the oats of this section are very heavy, and this field weighed out about 100 bushels per acre.

Old timers say this is the driest season they have any recollection of.

H. L. Stephens had seven and one half acres of Shadeland Challenge oats, which made 118 per acre.

Mr. and Mrs. Williams of Myrtle Point had business which called them to this locality last Saturday.

One man here threshed sixteen hundred bushels of garden peas this year.

Oh! What would the harvest have been had we had plenty of rain.

JOHN DOE.

Baseball.

A lively game of baseball was pulled off at the Myrtle Point diamond last Sunday between the Coquille and Myrtle Point nines. It was a hotly contested game, and the score stood 4 to three in favor of Myrtle Point. The batteries were Collier and Lorenz, Coquille; Pollard and Carl, Myrtle Point.

One feature of the day was the only two Coquille boys were struck out by Pollard.

At Riverton, Crane's Camp crossed bats with the local team the same day. The score in this game stood 27 to 8 in favor of Riverton. Batteries, Leo Cox and Stewart; Whitset, Crane's camp; Geo. Gilman and Cecil Elwood for Riverton.

There was a good attendance at both games with great interest manifested.

One thousand dollars in cash is the offer made by the Directors of the Panama-Pacific International Exposition Company, to artists and designers the world over for an Exposition Seal. It must be a character suitable for use as a poster, a crest for stationary or an Exposition button, and should typify the completion of the Panama Canal and the celebration of that event proposed to be held in San Francisco in 1915. Finished drawings or paintings should reach the Exploitation and Publicity Committee in San Francisco not later than October 15th.

New York, Sept. 9.—The preliminary registration in the New York public schools, which will open the next school year on Monday next, shows that the number of pupils will reach nearly 700,000. This total is greater than the population of any city in the United States, except Chicago and Philadelphia. Last year's average attendance was 657,383.
