Liljeqvist-Sherwood

On Wednesday evening of last week a very pretty wedding took place at the home of the bride's parents, Mr. and Mrs. A. J. Sherwood, of this city, when their second daughter, Miss Emma, was joined in holy wedlock to Lawrence A. Liljeqvist, a young and prominent attorney who has made his home in Coos county for the past five or six years.

The Rev. Archdeacon Horstall was the officiating clergyman, and the beautiful and impressive Episcopal ring ceremony was employed to make these two young hearts one.

The ceremony was witnessed by about fifty invited guests, several of whom were friends of the contracting parties from Marshfield.

This elegant home was beautifully decorated, ferns, white roses and crysanthimums predominating in the floral scheme. At eight o'clock the parties took their place under the large cosmos bell. The bride looked beautiful, gowned in a white satin princess with overskirt, rimmed in cream, and wore a cross and carried a prayer book and bouquet of orange blossoms. The groom wore the conventional black.

Attorney Chas. McKnight, of Marshfield, was best man and Miss Claire Sherwood, sister of the bride, was maid of honor, and little Delia, also a sister of the bride, was ring bearer, and Miss Esther Johnson played Mendelssohn's wedding march as the bridal party entered the spacious parlor.

After the ceremony all repaired to the garret when a bounteous wedding supper was spread, and to which all did ample justice.

A large number of elegant presents were received.

This happy and popular couple will at once move to the handsome bungalow just finished by the groom and which stands near the Tuttle Hotel.

Fuhrman's Wafers are the thin edge of the wedge for a splitting headache. Easily Taken. There is a whole lot of concentrated relief in each wafer. 25 cents a package. Fuhrman's PHARMACY

GIVE YOURSELF A CHANCE

to make the very best biscuit, bread and pastry you know how. The best flour you can get hold of will produce the best baking you can accomplish. You have got to know the flour—so it is best to use a brand that you know will be the same—always. One trial sack of Snow Drift will open up a new field of successful baking for you. It's an unbleached flour. Made from selected Northwestern grown Blue Stem Wheat. The flour that proves. Ask for Snow Drift Flour. Take no substitute.
