

Touring Car
\$900

Hupmobile

Guaranteed
For Life

Are you one of those who have felt that a touring car was beyond their means? Hundreds like you now find themselves eligible to ownership of the new \$900 Hupmobile. The first cost and in assured economy of operation it makes a touring car possible to scores who have not dared to consider one before.

The new Hupmobile banishes three bugaboos which have always confronted the touring car buyer:
1. The fear that a low price meant poor construction.
2. The fear of excessive cost of repair.
3. The fear of a high cost of upkeep.
Fear No. 1 is driven away by the life-long guarantee—and the magnificent record of thousands of Hupmobiles already in use.
Fear No. 2 is left without a leg to stand on by this same life-long guarantee.
Fear No. 3 meets its Waterloo in the proof presented by hundreds of owners that, in view of the service rendered, a Hupmobile cared for at home is cheaper than street cars or horses.
So you will be confronted, when you see this new car, by an entirely new economic proposition.
If a touring car would mean anything to you—
If it will make life brighter and healthier and happier for you and your family—
And you can afford to pay for that inestimable boon a first cost of \$900, and an after cost of about 20 to 25 cents a day to the average family—then buy a Hupmobile, with implicit confidence in its rock-ribbed, life-long guarantee.
Buy it, too, with this thought in mind:—
That the Hupmobile policy has always been to carry out every promise to the letter.

Good for Sore Throat

When your throat becomes slightly irritated—you neglect it for a few days—it increases in severity and becomes so sore you can hardly swallow—

Be prompt in your treatment—you don't want it to become chronic and probably end in Tonsillitis or Quinsy—that would mean either an operation or prolonged treatment, and much suffering.

Purchase a bottle of Nyal's Sore Throat Remedy and gargle the throat thoroughly—it allays all irritation, soothes and heals the inflamed membranes and prevents further infection

Unlike most throat remedies Nyal's Sore Throat Remedy is absolutely safe—while most effective as a gargle it is not injurious if swallowed.

Twenty-five cents the bottle.
When we had a chance to get the exclusive selling agency for Nyal's Family Remedies we jumped at it. They are known among all druggists as the highest quality line on the market, and are prepared by a great firm of manufacturing chemists, famous for fifty years.
