SCHOOL NOTES

The basket ball games played at Myrtle Point last Friday evening plies and he should, as he doubtless while their opponents had only six. ive weight of the opposing team began to tell, and the score was soon tied, and then Myrtle Point pushed to the front with the result stated above. Walter Oerding made an excellent referee, and there was little kicking on decisions and that was not done by the team. A large crowd of Coquille people drove up in wagons and carriages to witness

the game. The local team will go to the Bay this evening to play Marshfield and will have a game with North Bend before returning. One week from omorrow evening, the last game of the season on the local floor will be played with Bandon. This will be a good game and no doubt a large crowd will be out. That will be a double header, the boys and girls both playing.
