Two Doors South P. O. Coquille, Ore.

An Ordinary Mortal.
"Engaged? Why, he seemed quite broken hearted when the other girl refused him."
"Well, he's like the average man. It wasn't long before he was looking for a consolation prize."

Elegance.
Elegance is something more than ease. It is more than a freedom from awkwardness or restraint. It implies, I conceive, a precision, a polish, a sparkling, spirited, yet delicate.—Hazlitt.

The Living.
Sis—Why did you throw up your situation, Ernest? Brother—Because I am going to get married. She—But what will you live on—love? Brother—Oh, no! We are going to live on my love's father.

Up to Him.
"What would you do, Fraulein Irma, if I were suddenly to give you a hug and a kiss?"
"Oh, I don't know, I'm sure I've never been asked. What would you advise me to do?"—Fliegende Blätter.

Getting Even.
Mrs. Blumer—We must have the Dulls to dinner. We owe them one. Blumer—Of course. We passed an awful dull evening there, and it is nothing more than right that they should pass one here.—Brooklyn Life.

The Sly Youth.
He—Then you have no objection to admitting we are engaged? She—No. But why do you want to be? He—I'm going away, you know, and it's such a protection when the girls annoy me.—Cleveland Plain Dealer.

Peppermint Farming.
Most of the world's peppermint is grown on peppermint farms in Michigan. Over 300,000 pounds of peppermint oil, worth \$5 a pound, is produced annually from the moist and black soil of southwestern Michigan.

Flotsam and Jetsam.
When a ship is sunk or otherwise perishes that part of her cargo that floats on the sea is termed flotsam. It is jetsam when the ship is in danger of being sunk, and to lighten her the goods are cast into the sea.

Can These Be Answered?
What substance gives the paper weight? On what sea does the bar gain sale? What clothing does the china ware? What ensign does the ocean wave? Do herring dance at a codfish ball?—Detroit Free Press.

Expecting Too Much.
Customer (sarcastically)—I've man aged to cut this steak, but I'm bothered if I can chew it. Walter—Yes, sir. We guarantee our knives, but our responsibility does not extend to our customers' teeth.—London Punch.

Your Days.
Every day that is born into the world comes like a burst of music and rings itself all the day through, and then shall make it a dance, a dirge or a life march, as thou wilt.—Carlyle.

Called His Bluff.
"He told her that he would gladly die for her."
"The same old bluff. Did it catch her?"
"No. She told him she would gladly let him."

A Complex Accomplishment.
"I understand you speak French like a native."
"No," replied the student. "I've got the grammar and the accent down pretty fine, but it's hard to learn the gestures."—Washington Star.

Do It Now!
"Have you forgotten that \$10 you borrowed of me some time ago?"
"Oh, no, I still have it in mind."
"Well, don't you think this would be a good time to relieve your mind?"—Exchange.

Lamb's Quaint Humor.
Charles Lamb once said that he hated a certain man.
"Do you know him?" Lamb was asked.
"No," he answered.
"Let me introduce you to him," said Lamb's friend.
"No," responded Lamb humorously, "for if I shall know him I am sure I shall stop hating him."

Fogarty's Retort.
Fogarty got into a jam with the manager of a company in which he was a member. The criticism was that he was not doing his best, and the argument led up to this climax:
"Well, I'm the manager of the troupe."

Fogarty—Anybody could tell that by taking a slant at the shape of your skull.—Chicago Post.

GOOD DEEDS.
A good deed is never lost. He who sows courtesy reaps friendship, and he who plants kindness gathers love. Pleasure bestowed upon a grateful mind was never sterile, but generally gratitude begets reward. Do not be miserly of good deeds, for their fruit is sweet.

You are Sure of a Perfect Match

"Yes, Madam, this fabric shows identically the same details and color as would be shown in broad daylight. You see I'm displaying the goods under the clear white rays of this wonderful new General Electric Mazda Lamp. It's really the equivalent of daylight, and that's why all up-to-date stores are using it. Of course there are also other vital reasons, one of which is this: the G-E Mazda Lamp gives twice the light of the ordinary carbon incandescent lamp—and costs less to burn."

The invention of the Mazda Lamp has caused thousands of people to have their houses and stores wired for electric light. If you are not now using it, come in for a moment to-day and let us prove to your entire satisfaction that this wonderful new lamp has made electric light as cheap as it is convenient.
