

The Coquille Herald

PUBLISHED EVERY THURSDAY

Entered as second class matter May 8, 1908, at the post office at Coquille, Oregon, under act of Congress of March 3, 1879.

WALTER G. ACKERMAN, Publisher

Devoted to the material and social upbuilding of the Coquille Valley particularly and of Coos County generally. Subscription, \$1.50 per year in advance.

Phone, Main 354.

Lawmakers met in Salem Monday. Dan Malarkey was elected president of the senate and C. N. McArthur speaker of the house. J. S. Barton of Coos was appointed on the committee on organization and order of business.

The Bandon Surf, another Coos county newspaper venture, reached our sanctum Saturday last. Its pages are newsy and interesting—the channel wherein it rolls being somewhat facetious though not disastrous. Here's to the Surf—may it peacefully voyage on life's tempestuous sea and usher up glittering jewels for humanity strolling on the beach of time.

Justices of the Peace To Issue Game Licenses

County Clerk Watson has in contemplation the drafting of a bill to be presented to the lawmakers at this session of the legislature making it the duty of Justices of the Peace to issue game licenses.

This would not only relieve the county clerks throughout the state of considerable work—and their tasks are many—but would be more convenient and less expensive to those who procure the licenses. As the law now stands hunters living in remote sections of the county are obliged to secure their licenses from the county clerk, and the expense of traveling is a hardship on many who earn their livelihood largely by the rod and gun. By placing the issuing of licenses in the hands of justices benefit would accrue to the greatest number—particularly those with moderate means—and it is this spirit that prompted our county clerk to be the parent of the proposed measure.

We are with Mr. Watson in his laudable endeavor and have firm faith that our legislators will favor its adoption.

Royal Gives \$2.50 in Bean Guessing Contest

A bean guessing contest is now on at the Royal Theater. Each patron of the theater is given a ticket which entitles the holder to guess the number of beans in a glass jar. The beans are called the "Lazy Wife" and are somewhat larger than the common kind. Jars containing the article which, associated with the porker, made Boston famous, are in the store windows at Fuhrman's Pharmacy and Skeels' grocery and each jar contains the same number, which is—we will not tell.

The person guessing nearest the number of beans contained in each jar will be given \$2.50 in American money at the Royal on Saturday night, January 25. You may guess as many times as you purchase admission tickets but must be at the theatre the night the prize is given.

How To Tell If Your Hair Is Diseased

Even if you have a luxuriant head of hair, you may want to know whether it is in a healthy condition or not.

Pull a hair out of your head, if the bulb at the end of the root is white and shrunken, it proves that the hair is diseased and requires prompt attention if its loss would be avoided. If the bulb is pink and full, the hair is healthy.

We want everyone whose hair requires treatment to try Rexall "93" Hair Tonic. We promise that it shall not cost anything if it does not give satisfactory results. It is designed to overcome dandruff, relieve scalp irritation, to stimulate the hair roots, tighten the hair already in the head and overcome baldness.

It is because of what Rexall "93" Hair Tonic has done and our sincere faith in its goodness that we want you to try it at our risk. Two sizes, 50c. and \$1.00. Sold only at our store—The Rexall Store, Fuhrman's Pharmacy.

Here is a remedy that will cure your cold. Why waste time and money experimenting when you can get a preparation that has won a world-wide reputation by its cures of this disease and can always be depended upon? It is known everywhere as Chamberlain's Cough Remedy, and is a medicine of real merit. For sale by all druggists.

Subscriptions taken for all leading newspapers and periodicals published in the United States, at the Herald office. Save money by ordering of us.

Mrs. A. R. Tabor, of Crider, Mo., had been troubled with sick headache for about five years, when she began taking Chamberlain's Tablets. She has taken two bottles of them and they cured her. Sick headache is caused by a disordered stomach for which these tablets are especially intended. Try them, get well and stay well. Sold by all druggists.

Write Ideas For Moving Picture Plays!

**YOU CAN WRITE PHOTO PLAYS AND
EARN \$25.00 OR MORE WEEKLY
We Will Show You How**

If you have ideas—if you can THINK—we will show you the secrets of this fascinating new profession. Positively no experience or literary excellence necessary. No "flowery language" is wanted.

The demand for photoplays is practically unlimited. The big film manufacturers are "moving heaven and earth" in their attempts to get enough good plots to supply the ever increasing demand. They are offering \$100 and more, for single scenarios, or written ideas.

Nearly all the big film companies, the buyers of photoplays, are located in or near New York City. Being right on the spot, and knowing at all times just what sort of plots are wanted by the producers, our Sales Department has a tremendous advantage over agencies situated in distant cities.

We have received many letters from the big film manufacturers, such as Vitagraph, Edison, Essanay, Lubin, Imp, Solax, Rex, Reliance, Champion, Comet, Melies, Etc., urging us to send photoplays to them. We want more writers and we'll gladly teach you the secrets of success.

We are selling photoplays written by people who "never before wrote a line for publication."

Perhaps we can do the same for you. If you can think of only one good idea every week and will write it out as directed by us, and it sells for only \$25., a low figure.

**You Will Earn \$100 Monthly for Spare Time
FREE** Send your name and address for free copy of our illustrated book, "MOVING PICTURE PLAYWRITING."

Don't hesitate. Don't Argue. Write now and learn just what this new profession may mean for you and your future.

Big Ben helps run the farm on time

Is it hard for you to get the farm hands out on time?

Is it hard for you to get them up in the morning?

If so, why not let Big Ben do it for you?

Big Ben is a truth telling and reliable alarm clock.

It's his business to get people up in the world.

And he'll do it every day at any time you say.

Next time you drive to town, walk over to the store and take a look at him.

I keep him in the window where you can see him.
