Write Ideas For Moving Picture Plays!

CAN WRITE PHOTO PLAYS AND EARN \$25.00 OR MORE WEEKLY We Will Show You How

If you have ideas—if you can THINK—we will show you the secrets of this fascinating new profession. Positively no experience or literary excellence necessary. No "flowery language" is wanted.

The demand for photoplays is practically unlimited. The big film manufacturers are "moving heaven and earth" in their attempts to get enough good plots to supply the ever increasing demand. They are offering \$100 and more, for single scenarios, or written ideas.

Nearly all the big film companies, the buyers of photoplays, are located in or near New York City. Being right on the spot, and knowing at all times just what sort of plots are wanted by the producers, our Sales Department has a tremendous advantage over agencies situated in distant cities.

We have received many letters from the big film manufacturers, such as Vitagraph, Edison, Essanay, Lubin, Imp, Solax, Rex, Reliance, Champion, Comet, Melies, Etc., urging us to send photoplays to them. We want more writers aud we'll gladly teach you the secrets of success.

We are selling photoplays written by people who "never before wrote a line for puplication."

Perhaps we can do the same for you. If you can think of only one good idea every week and will write it out as directed by us, and it sells for only \$25., a low figure,
