# Rexall Olive Oil Emulsion

#### It Is the Best Remedy

When you are run-down, no matter what the cause. It doesn't merely stimulate you and make you feel good for a few hours, but takes hold of the weakness, and builds you up to a healthy, normal condition.

It is a real nerve-food tonic, a real builder of healthy nerves, rich blood, strong muscles, good digestion.

It contains the Hypophosphites, to tone the nerves and give energy, and pure Olive Oil, to nourish the nerves, the blood, the entire system, and give vitality, strength and health.

It is pleasant to take, the greasy flavor of the Olive Oil having been removed.

For you who are tired out, nervous, run-down, debilitated, weak, emaciated—for convalescents—for old people—for puny children—we recommend Rexall Olive Oil Emulsion as the best medicine we know of to make and keep you well and strong.
