Two Home Women Talked About Hair

Two women met in our store the other day, when one of them said: "My, how pretty your hair looks! What have you been doing to it?" "Why, I have been using Harmony Hair Beautifier for the past two weeks," was the reply. "Why, indeed?" replied the first woman, "that is just what I am using. Isn't it great, and don't you think my hair shows a lot of improvement?" Harmony Hair Beautifier is becoming all the rage among both men and women who are particular in the care of their hair. It is just what it is named—a hair beautifier. It seems to polish and burnish the hair, making it glossy, silky-soft, and more easy to put up in graceful, wavy folds that "stay put." Contains no oil, and will not change color of hair nor darken it. Simply sprinkle a little on your hair each time before brushing it.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This liquid shampoo gives an instantaneous rich, foaming lather that immediately penetrates to every part of the hair and scalp, insuring a quick and thorough cleansing. It is washed off just as quickly, the entire operation taking only a few moments. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Rexall Stores, and in this town only by us—Fuhrman's Pharmacy, Coquille, Ore.

What Cures Eczema?

We have had so many inquiries lately regarding Eczema and other skin diseases, that we are glad to make our answer public. After careful investigation we have found that a simple wash of Oil of Wintergreen, as compounded in D. D. D. Prescription, can be relied upon. We would not make this statement to our patrons, friends and neighbors unless we were sure of it—and although there are many so-called Eczema remedies sold, we ourselves hesitatingly recommend D. D. D. Prescription.
Drop into our store today, just to talk over the merits of this wonderful Prescription.
