The road supervisor of this district is respectfully informed that the plank road leading to Fairview has been badly ripped up the back by Fourth of July Speeders and is in great need of attention, unless he has fixed it since Sunday evening. The dry weather has loosened planks and they have worked endwise in bunches of one to half a dozen until many places are dangerous.

Girls on a Hike

The N. T. C. club started for an outing this morning. They are taking a 'hike' out into the woods, intending to go as far as Fairview today and from there will strike out in whatever direction fancy may lead them. The impression seemed to be that they would go into the Brewster Valley country. They expect to be gone ten days or two weeks. The party consists of the Misses Alice Stanley, Marion Schroeder, Naomi Knowlton, Winnie Curry and Dorris Peoples, club members; Misses Mabel Schroeder and Vera Kelly, invited guests, and Mrs. R. S. Knowlton, chaperon. They went in bloomers, with blankets across the shoulder in true militant style, and received many promises of assistance and proffers of healing lotions and salves for the expected blisters, but haughtily declined. A general exodus of boys in the direction of the Coos Bay wagon road is expected next Sunday. The latest from the front by wireless is that the company was joined at the McCordy ranch by Miss Luella Phillips and that their first night's bivouac will be made at Cherry creek.

Sunnyside Celebrates.

The people of Sunnyside addition pulled off a most successful little celebration of their own on the Fourth. They had prepared picnic grounds on Frank Warren's place at Cedar point, and there about 75 people gathered with their lunch baskets. A regular Fourth of July program was carried out, even to the procession, headed by Frank Warren as Uncle Sam. The supply of refreshments was far in excess of the demand, and the demand for hungry visitors to consume them was far in excess of the supply, and lemonade and ice cream went to waste by the gallon. Those who were there are of the opinion that they had a better time than any body else in the county.

The fracas arose in a dispute over a board bill, and Morrissey is said to have used abusive language and to have slapped Peart, who is not hooked up for a pugilist.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out of this tube restored to its normal condition, hearing will be destroyed forever; this case out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free.

Went to the Country

Mr. and Mrs. Jesse Beyers spent the Fourth with Mrs. Beyers' parents, Mr. and Mrs. L. A. Lawhorn, near McKinley, taking along some other relatives from here. Leaving Coquille at a quarter to five Saturday morning in Mr. Beyers' Studebaker, a very pleasant run of an hour and a half took them to their destination in time for breakfast. Mr. Lawhorn had killed a fatted calf, most of which was consumed, along with other delicious country fare, by the time the party returned, on Sunday evening. Mrs. Beyers and the children stayed to make a more extended visit.

The Gog-Glorious Fourth

Those who spent the Fourth in Coquille report a quiet day. Everybody who could get out was away, either at the celebrations in neighboring towns or on private celebrations of their own. The weather clerk was accommodating and gave us a very fine day.

Those who went to Myrtle Point report an immense crowd there, and the same word comes from Marshfield, where a very successful two-days program was pulled off.

So far as heard from, no serious accidents or disasters are reported.

Another Happy Couple

John N. Auer, a sturdy young farmer of Lamps, decided that single blessedness is a delusion, so he brought one of Coos county's fair daughters before Justice Stanley today and as a result there is no more Miss Georgia Gilkey, but henceforth she is Mrs. John N. Auer. The mother, Mrs. Cora B. Gilkey, a brother, Ray Gilkey, and a sister, Mrs. Grace Hand composed the party who witnessed the ceremony, Mrs. Hand having come from near Hillsboro to be present. The Herald joins their many friends in hoping that their Auers (hours) may lengthen to many years of happiness and prosperity.

City Council

At the meeting last night the city council passed the ordinance providing for the issue of \$30,000 twenty-year bonds, bearing 5 per cent interest payable semi-annually; providing for the levy of special taxes to meet the interest and of an annual tax not to exceed one and one-half mills to furnish a sinking fund
