YOU OR I?

WHO is going to win this contest, You or I? This shall be the question asked of herself by every contestant. This is the time to pluck up your nerve and commence to work. A contest is not a place to rival our friends, Alphonso and Gaston's saying "You first." Make your Motto, "Me First," a determination to win is a credit to anyone. This Campaign is simply a test of perserverance, energy and stick-to-it-iveness among friends. Because you are determined to win does not mean that you are making the Campaign the cause of unfriendly rivalry, the rivalry between contestants is friendly rivalry, but rivalry it is. No one has an advantage in this campaign that you cannot make yours. The chances of all are equal. See to it that you make equal use of equal opportunities.
