Happiness Follows Sorrow

The note of sadness which succeeded the accident of Oct. 23rd, when Miss Edna Juanita McDonald lost her left foot by a train accident, was followed on Sunday last by the chime of wedding bells, when the young lady was married to Mr. H. P. Walls, of Modesto, Cal., who had arrived two days before. As may be inferred, this was the culmination of a romance which had its inception last winter, when Miss McDonald spent several months at Modesto in the employ of the Stanislaus Land and Abstract Company, as a stenographer. In the spring she returned to Coquille to accept a position with the Title Guarantee and Abstract Company here, where she had formerly been employed, and few, if any, of her friends knew of an engagement. On receipt of the news of the accident, Mr. Walls made hasty arrangements for a brief vacation, and started at once for Coquille, having to do some skillful scheming to get passage up the coast, as no passenger boat was available. The wedding was a quiet one at the home of the bride's parents, Mr. and Mrs. M. McDonald, the young lady being still unable to rise from her bed. The ceremony was performed by the Rt. Rev. Wm. Horsfall in the presence of the family and a few intimate friends. The bride has spent all of her life here having been born in this city. She graduated from the public school and afterwards took a course in the Walker-Behnke business college at Portland fitting herself for a stenographer. She has a host of friends who will be glad to know of her happiness. The groom holds the position of advertising manager of the Evening News at Modesto and his appearance and address are all the credentials needed to establish his standing as a bright and successful young man. The duties of his position call him home at once and he will go by the first steamer, to be followed by his bride as soon as she is able to travel.

Playing Football at the Bay

The local football team left this morning for Marshfield where they are scheduled to play the high school team of that place this afternoon. The teams have both received splendid coaching; Niles who has been coaching the Bay team and Dr. Hamilton who has had charge of the team here, being both old players and men who understand the finer points of the game, and an excellent exhibition is expected.

Niles gives the following as the Marshfield line-up: Lyons, center; McDuffee and LaChapelle, guards; Hunter and Dresser tackles; Burrows and Backman, ends; Chapman, quarter; Seaman, full; McDonald and Beck, half backs.

Coquille's line-up is: E. Leslie, fullback; Kern, left half; Mast, right half; Walker, quarter; Shelly or Pike, center; Haskins or Price, right guard; Donaldson or Kelly, left guard; Avery, right tackle; Gilham, left tackle; Dunham, right end; K. Leslie, left end.

E. H. Meade is now a resident of Marshfield, having made arrangements to open a cigar and confectionery store there. It will be located in the new theater building which is nearing completion for G. Mexico, and there are others yet to come. There were lots of interesting people down there, doing all sorts of interesting things, long before the so-called civilized world knew of their existence; and some there be to this day who haven't heard of them.

First on the program came a paper on "The Land"—in other words, a general description of Mexico—written by Mrs. H. O. Anderson. She being absent, on account of illness in her family, her paper was read by the secretary, Mrs. R. B. Rogers read a paper on "The Mayas," Mrs. J. S. Lawrence one on "The Michoacans," and Mrs. W. L. Kistner one on "The Chichimecs," and "The Acolhuans," otherwise called the "Tezcucans." After general discussion and a brief business meeting, Mrs. H. W. Young conducted the lesson on Domestic Science, assisted by Miss Marian Young. A paper on Domestic Science, by Mrs. J. L. Smith, was read by the latter. Mrs. Smith and Miss Young were tendered a vote of thanks.

The next meeting will be on November 9.
