Telephone Growth Shows Coos County Prosperity

The Coos & Curry Telephone Co. furnishes the tollowing:

The new telephone directory which is being distributed to subscribers of the Coos and Curry Telephone Company confirms a notion which has prevailed hereabouts that although there was a general commercial depression abroad in the land Coos county was not feeling it as much as some other sections.

It was a five-reel feature by the Ecleric company and the stothe Eelectic company, and the sto-ry, the acting and the details were above criticism. The 'Perils of Pauline" are also presented by the Eelectic company, and we advise the fans to look out for their work. Drink a Little Beer Occasionally

ITS one of the things I often prescribe. It will do you good if you use it moderately, as all men do who know what real

temperance is. Beer is refreshing, exhil-

arating, nutritious, and a tonic. It promotes diges-tion and is a wholesome food beverage. When a man drinks beer he drinks and cats at the same time, just as when he cats a bowl of soup. The terms "eat" and "drink" are inconsistently used in pointing out the difference between what is merely quenching our thirst and what is actually consuming nourish-ment. In my opinion, a man might more properly be said to eat beer than to eat certain kinds of soup, or indeed watermelon.

Drink beer and eat moder-ately. The moderate beer drinker and eater is in a far better posi-tion than the total abstainer, who often consumes an excess of solid food. Beer builds tissues, restores waste, furnishes heat, and produces energy. —Advertisement.

New Train Schedule

The long-expected change in the train schedule went into effect Sunday, when the first Sunday train was ron, arriving at Coquille eastbound at 1:55 and westbound at 2:22.

On weekdays the morning train will leave Marshfield at 7:10 instead of 8 and is due at Coquille at 8 o'clock, returning from Myrtle Point at 9:26 and arriving at Marsefield at 10:18.

The afternoon train will leave Marshfield at 1:45 instead of 2, and will be due here at 2:40, returning at 4:28.

The new schedule will be more convenient for people having busi-ness in Marshfield, as it allows a stay of about three and one-half hours in that town, instead of two hours, as heretofore. The Sunday train will also be a great convenience for those who wish to spend the week-end on the Bay.
