He Admired Her Judgment.
She—Oh, Fred, dear, you are so noble, so generous, so handsome, so chivalrous, so much the superior of every man I meet, I can't help loving you. Now, what can you see in plain little me to admire? He—Oh, I don't know, dear, but you certainly have very good judgment.—London Tit-Bits.

She Knew.
The teacher had given the class a talk on household pests.

FROM THE NATIONAL CAPITAL

paper report recently published that England's reason for refusing was that men above this age were fighting in the German army.

OH! YOU MEXICO

Washington's former illustrious citizen, Colonel Theodore Roosevelt has stirred up something of a mess at the seat of government by declaring that President Wilson really did make war on Mexico through occupying Vera Cruz, and he attempts to prove that much of the chaotic condition in Mexico is due to the unwise policy of the President and Secretary Bryan. The usual answer has been forthcoming from Democratic sources, inviting the Colonel to "shut up." Ocourse he will do it.
