As prophesied by the Herald some weeks ago, the Coos Bay people have been obliged to relinquish all hope that the present congress would do anything looking toward jetty construction at Coos Bay. The engineers will not recommend it until the dredge abortion has been given another year in which the Herald has been willing them for many moons What surprises us is that men like L J Simpson, C. # My Dear Bill

T'S awfully good of you to write me about that company in your town wanting a good man of my trade. But honestly, Bill, I don't want the job. Of course they want good men for prohibition has driven all the competent men out of the town.

There isn't a beer saloon in the place. You work and sleepget out and talk things over with the boys once in a while. I want some place to go after a hard day's work where I can get a glass of beer if I want one. a glass of beer if I want one.

I know you can get a drink down there when you feel like it. But that isn't the point. The saloon is my club. You sneak into the back door of some blind pig or speak-easy and pay good money for stuff not fit to drink. No sneaking for mine, Bill. I'm a Temperance manarel temperance man. That's why I'm going to stay right here where I can drink beer moderately and above board.

Those speak-easies get you. Those speak-easies get you,
Bill, sooner or later. They've
made drunkards of a lot of good
men right in your township. I'd
rather stay where my personal
liberty isn't interfered with.
Thanks for your interest in me.
Yours truly, JOHN.
