Ten girls met last Friday evening at the home of Miss Vera Kelley for the purpose of organizing a club to be known as the L. O. M. S. Society. The following officers were elected: President, Olive Howey; vice president, Dorothy Snow; secretary, Mary Fussenon; treasurer, Myrtle Cunningham. According to present plans the club will meet every other Friday, and, judging from the programs already outlined, the meetings will be far from dull. Coquille Wins Three Games

Coquille won quite a series of victories in basket ball last week, the high school team winning at North Bend Friday night, the high school second team defeating a River-ton team the same night and the independent quintet easily winning from the Marshfield Independents here Saturday night.

The high school game at North Bend Friday night was one of the closest games ever witnessed in the county. Each team made an equal number of foul baskets during the game, although North Bend had several more tries than did Coquille.

and the score was tied at the end of both halves. In playing off the tie Coquille succeeded in making the winning basket after about five minutes of play. The boys from here are of the opinion that they could have won by a much larger score had the ball in which they played not been so small. The final score was 19 to 17.

The lineup at North Bend was as follows:

Coquille	North Bend
Roy Watson	Russell
Stewart Norton	Holmes
	forwards
Keith Leslie	Bowen
	center
Charlie Oerding	Simpson
Roy Avery	Mende
	guards

The game here Saturday was a good fast game altho a little rough in spots. Coquille took the lead from the start and more than made up for the defeat they suffered at the hands of the same team at Marshfield the preceding week. The score on the final count was 29 to 17. Walter Oerding acted as referee and Jueb as umpire.

The lineup of the two teams were:

Coquille	Marshfield
Mast	Silverman, Landers
Oerding	Niles
	forward
K Leslie	Landers, Fisher
	center
Oerding	Bullington
Avery	Morrow
	guards

An interesting preliminary between the Fats and the Leas resulted in a decisive victory for the Fats, the score being 8 to 2.

The Marshfield high school team defeated the high school team at Myrtle Point Friday night but lost to Bandon on the latter's floor Saturday night by a score of 19 to 14.

The standings of the teams of the Coos county league are as follows:

	won	lost	per cent
Coquille	3	1	.750
Bandon	2	1	.666
Marshfield	2	2	.500
Myrtle Point	1	2	.333
North Bend	0	2	.000
