A Psalm of Life
(With apologies to Longfellow, by an Unknown.)

Tell me not in mournful numbers
Advertising is a dream,
For the business man who slumbers
Has no chance to skim the cream.

Life is real! Life is earnest!
Competition's something fierce;
If for dividends thou yearnest,
Learn the parry, thrust and tierce.

In the business field of battle,
Mollycoddies have no place;
Be not like dumb, driven cattle—
Be a live one in the race.

Lives of great men all remind us
We can bring the bacon home,
Aid, departing, leave behind us
Footprints on another's dome.

Let us then be up and doing,
Otherwise we may be done;
Still achieving, still pursuing,
Advertise and get the "mon."

McKenna-Harlocker

At the Catholic church in this city, at 9 o'clock yesterday morning, Frank E. McKenna and Miss Emily Harlocker were united in marriage. The ceremony was performed by the Reverend Father McDevitt, assisted by the Reverend Father Wallace, in the presence of a few of the immediate relatives and friends. The church was very prettily decorated with flowers and branches of native shrubbery, and music was furnished by Mrs. Levi Daigle, organist of the Catholic church at Marshfield, and Edgar Cason, of the choir of that church, joining in duets and each rendering solos. Sidney Henderson and Miss Gretchen Sherwood acted as best man and bridesmaid, and the guests present were Mr. and Mrs. L. Harlocker, parents of the bride, Mr. and Mrs. Charles Harlocker, Frank, Hugh and Fred Harlocker, Mr. and Mrs. Leo J. Cary, Mrs. Nicklin, Miss Claire Sherwood, James B. Michels and Harry Sharkey.

After the ceremony the party repaired to the Harlocker residence, where a wedding breakfast was served and many beautiful and valuable presents were received from the friends of the newly married couple. Then Mr. and Mrs. McKenna took an auto for Bandon, where they expected to sail on the Speedwell today for San Francisco to spend two or three weeks at the exposition before their return. The auto in which they left town bore a large placard, "The Newlyweds," this piece of gentle railery being in agreeable contrast to the coarse and senseless horseplay that is sometimes seen.

In writing of this wedding it is difficult to avoid a sort of composition which has become so customary on all such occasions that it has lost all meaning. Still, it is only the absolute truth to say that the bride and groom are two of the finest young people of this community and one would have to search a long way to find another such instance of an ideal match. The bride is the daughter of Mr. and Mrs. L. Harlocker, old residents of this city, and has lived here all her life. Her amiable disposition and many graces of person and character have made her the object of universal liking and high regard. The groom has resided here two years, coming as manager and trusted employe of the Oregon Power Co., taking charge on Sept. 5, 1913. He has conducted the business of that corporation in such a way as to please the people of this community in the highest degree, winning, at the same time, the respect and warm liking of our citizens. Heartiest best wishes for a happy married life for the newly wedded couple are universal.

Boys Hike to College

Horace Rabkopf and Roger Frohn of this city and Leetle Sparks of Bandon started out yesterday morning on a tramp over the Coos Bay wagon road. They plan to walk to Drain by way of Roseburg and at Drain Mr. Rabkopf and Mr. Sparks will take the train for Salem, where they will enter Willamette University. Mr. Frohn will continue on foot to Eugene, where he will take a course in physical training at the U. of O. during the coming year. The party was seen about 12 miles out, looking fresh and happy, but it is probable that they will not find walking so pleasant when they strike the heat of the valley.

The Small Flock
In Coos County

After visiting the stock ranges of southern Coos, E. L. Potter, Professor of Animal Husbandry, of O. A. C., says:

There are a lot of good opportunities for small flocks of sheep on the dairy farms of Coos County, particularly on the dairy farms which have in addition to good cultivating land one or two hundred acres of hills and brush that is too rough for pasture for milk cows. Most of these lands are now devoted to raising the dairy bred steers for which Coos County is already infamous. In the outlying sections the rangelands are too troublesome for sheep, but through a larger portion of the dairy sections there is little trouble from this source. In such places we would certainly recommend that the dairy men knock the bull calves in the head and put in a few sheep to eat the grass on the hill sides. A flock of sheep will pay a good profit and will tend to keep down the weeds and sprouts where the dairy bred steer does not pay the taxes on the land he grazes.

Beware of Ointments for Catarrh That Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.
