Has Been Defined as "The Ability to Do Something"

"Order Is Nature's First Law"

A tidy and well kept shop recommends the firm as personal neatness does the Individual.

ELECTRIC MOTORS

give out no fumes, waste products or appreciable heat. The innate cleanliness of motor drive makes plant inspection the owner's pride, conserves the material manufactured and serves as a general stimulus to the good spirits, loyalty, accuracy, and health of the workers.

Isn't this worthy of consideration?

"Safety first" is all right, but the

sity of cutting out one of its battery
boilers for repairs.

Go to Quick's for your screen
doors and saw filing, saws, gum-
ming, second hand saws, carpenter
tools, axes, brush hooks, tie back-
ing tools.

The Herald is badly in need of
small local items this week, but the
only variety obtainable seems to be
about So and So going out after
deer and we are reluctant to fill the
column with items all of one kind,
especially as we have no proof that
any deer or part of a deer has been
killed.
