Pendleton Normal School Proven Necessity

(Copied from Portland Oregonian.)

MONMOUTH, Ore., June 26.—The Oregon Normal school opened this week . . . students enrolled 785, largest on record for state Normal in Oregon . . . how to care for large student body a problem . . . 800 being crowded into auditorium with seating capacity of 550. Galleries filled with extra chairs in aisles. More than 150 students seated on platform. New boarding houses completed, additions to rooming houses built and tents used. One hundred girls sleep on upper floor of school.
The official school report gives 160 grade pupils in Monmouth, for teacher practice.

Read what those who have elected to handle the affairs of your state and who are thoroughly informed regarding school conditions in Oregon have to say concerning measure 308 on the ballot at the coming election:

By James Withycombe, Governor of Oregon:
"Oregon is unquestionably in need of more normal school work and Pendleton is the logical place for a school of this class in Eastern Oregon."

By J. A. Churchill, State Superintendent of Public Instruction:
"I trust that the voters of the State will assist in raising the standard of our schools by establishing a State Normal School at Pendleton."

By P. L. Campbell, President of the University of Oregon:
"At least one additional Normal School is urgently needed in Oregon."

By W. J. Kerr, President of the Oregon Agricultural College:
"Since the people of Pendleton are initiating a measure for the establishment of a Normal School at that place, it will give me pleasure to support this measure."

By J. H. Ackerman, President Oregon Normal School, at Monmouth:
"A careful analysis of the situation will convince any one that Oregon needs a Normal School in Eastern Oregon and Pendleton fills all the government requirements."

By the County School Superintendents of Oregon:
"Resolved, that it is the sense of the County School Superintendents of the State of Oregon, in convention assembled, that the best interests of the schools of the State demand increased facilities for the training of teachers, and that we, therefore, endorse the initiative measure to establish a Normal School at Pendleton."

By Mrs. Charles H. Castner, President of the Oregon Federation of Women's Clubs:
"I most heartily endorse the location of said Normal School at Pendleton."

Prof. Robert C. French, Former President of the Normal School Located at Weston:
"An immediate establishment of such a school at some central point such as Pendleton would prove a great asset to the State of Oregon."

B. F. Mulkey, Ex-President Southern Oregon Normal School:
"I shall support the location of an Eastern Oregon Normal School at Pendleton."

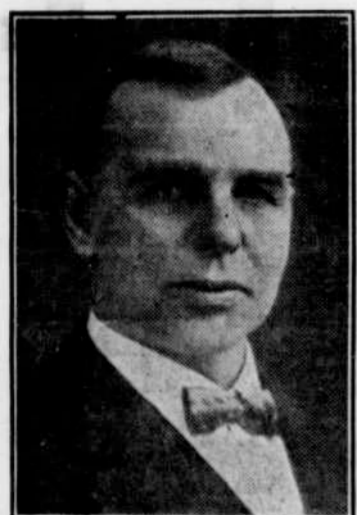

State Board of Regents of Oregon Normal School declares that "the necessity for additional Normal school facilities in Oregon is apparent"

Portland Chamber of Commerce endorses measure 308 and says Pendleton most logical location for Normal school in Eastern Oregon.

To Owners of Rural Telephone Lines

This Company is anxious to see that all lines owned by other parties and connected with its switchboards give efficient service. Where the owners of rural lines are responsible for their upkeep, we want to cooperate with them.

All lines require a thorough overhauling occasionally if the best service is to be obtained. We recommend that every line be overhauled at least once a year, and that at least one experienced telephone man assist in this work. This cost will be more than offset by the improved service.

If owners of rural telephone lines are experiencing trouble, we will appreciate their taking the matter up with us. We will gladly do what we can toward helping improve the line conditions.

The High School Herald

Edited by Students of Coquille High School Herald's Special News Service

Walloped by Marshfield

(Herald's Special C. C. News Service)

The first football game of the season was played at Marshfield last Friday, between the Marshfield and Coquille High Schools and resulted in the score of 57 to 0 in favor of Marshfield.

Coquille did not lose on account of lack of fighting spirit for the team fought from start to finish, the score being smaller in the second half than in the first.

Coquille had the misfortune to lose her able quarter back in the first of the third quarter. Alfred Daniels showed his endurance by playing nearly half the game with a broken rib.

Coquille has a very good chance to defeat Marshfield in the next game if they get in and practice, especially if a bunch can be secured to back them and give them a chance at breaking up interference.

The return game will be played at Coquille November 11, the last day of the Korn Karnival.

Alumni Notes

(Herald's Special C. C. News Service)

"Buckey" Mast, and "Spikes" and "Briek" Leslie, old C. H. S. football stars, are playing with the U. of O. Freshmen eleven. In a recent game with the Eugene High school team which resulted in a score of 51-0 in favor of the university men, "The Emerald" report gives "Buckey" and "Briek" each credit for a touchdown.

Iva and Hazel Howey, former C. H. S. students and now at O. A. C., won places in the Girls' Glee Club in the try-out held last Tuesday evening.

Merely Mentioned

(Herald's Special C. C. News Service)

The first edition of the University Wilsonian, the official organ of the Woodrow Wilson Independent League of the University of Oregon, made its first appearance on the campus last Tuesday. It is a four page paper to be published weekly until election day.

Five hundred twenty-eight students are registered in the extension work of U. of O. this year.

November 4, the day before the big game with Washington has been designated as Homecoming Day by the students of the University and preparations are being made to welcome and entertain as many members of the alumni as can be present. A number are planning to attend the game from here.

Seat Sale for Lyceum Course

(Herald's Special C. C. News Service)

Season tickets with reserved seats for the entire season will be on sale at Anderson's store beginning at two o'clock Wednesday, Oct. 25. Those who desire choice seats will be on hand when the sale begins. No one person will be permitted to buy more than four seats unless more than this number is required to supply his immediate family. This regulation is made in order that everyone may have an equal chance and to make it impossible for the person who is at the head of the line to buy out all the good seats for his friends.

The price for the four entertainments of the course including reserved seats will be \$1.00 for school pupils and \$1.50 for adults. This low price for school children is made partly in order that a large number of them may have an opportunity to attend these fine entertainments. But in addition to this, it was thought desirable that children who attend should be seated with their parents rather than collect in groups. The above arrangement makes it possible for them to sit with their parents without extra cost for a reserved seat.

The course begins Nov. 7 with the Hawaiian Quintet. The other numbers are the Lyndon-Gordon Company, a lecture by J. C. Herbsman, and a concert by the Brewer Musical company. Do not fail to buy your ticket tomorrow.

New Football Material

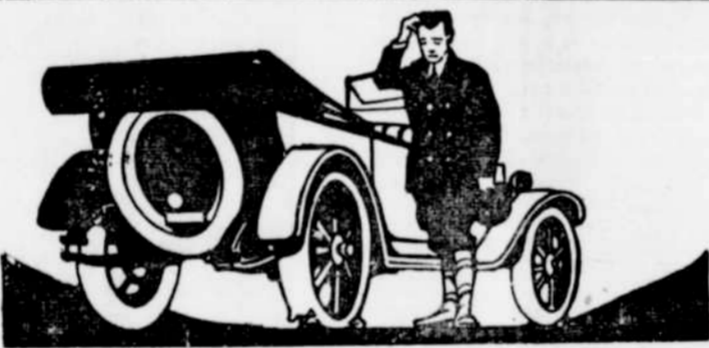

(Herald's Special C. C. News Service)

To make the football prospects brighter an announcement was made yesterday that the High school has a new addition to the team in the person of John Everett Gary, who arrived in Coquille October 22. His weight is 9 pounds, and being a graduate of the eighth grade (Mr. Howard presented him with a diploma) and member of the High school he is eligible to play football.

To Initiate Freshmen

(Herald's Special C. C. News Service)

Friday night is getting nearer and the Seniors are working harder and harder to make the Halloween party a success. One of the main ideas of this is a ceremony to welcome and initiate the Freshmen. This is a custom which is usually observed in most schools but has not been introduced here before.

Such tobacco enjoyment

as you never thought could be is yours to command quick as you buy some Prince Albert and fire-up a pipe or a home-made cigarette!

Prince Albert gives you every tobacco satisfaction your smoke-appetite ever hankered for. That's because it's made by a patented process that cuts out bite and parch! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

PRINCE ALBERT

the national joy smoke

has a flavor as different as it is delightful. You never tasted the like of it! And that isn't strange, either.

Buy Prince Albert everywhere tobacco is sold in tippyred bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin tins—dome-topped—and that corking fine pound crystal-glass humidifier with sponge-moistener top that keeps the tobacco in such cleaver trim—always!

Men who think they can't smoke a pipe or roll a cigarette can smoke and will smoke if they use Prince Albert. And smokers who have not yet given P. A. a try-out certainly have a big surprise and a lot of enjoyment coming their way as soon as they invest in a supply. Prince Albert tobacco will tell its own story!

Senior Class Play

(Herald's Special C. C. News Service)
The entertainment is planned so that something will be doing every minute. These plans are nearly completed, and although the Seniors have been very mysterious, it is known that something very unusual and interesting will happen.

Several copies of plays have been received and the Seniors are "getting busy." They have not yet decided on.

If you are a business man, if you are a professional man, if you are employed at a daily wage, make up your mind to deposit weekly a certain sum of money in the bank. You'll be surprised how the sum will grow. Cash in bank gingers up the man who has it there. He has more confidence in himself. The business man is ready for a dull season. He is ready for an opportunity. So is the professional man. The man who is working for a daily wage and who hasn't any money in bank frequently is fearful of a loss of his situation. He does not work as well or with the confidence in himself as does the man with something laid aside for a rainy day.
