owns extensive property interests. She will return home by the N. P. route, and will visit the principal cities of the Pacific

A gentleman looking over Southern Oregon for a business location was at Roseburg a few days, says the Review.
"I have just returned from Grants Pass,"
warrant the country of sufficient importance to warrant the country of such an institu-"I have just returned from Grants Pass,"
warrant the counding of such an institution? To such questions there can be but Marrant the counting of such an institution? To such questions there can be but of whom were on the same mission.
"Well, what do you think of the place?"

tion: To such questions there can be one true answer. We have the extent of territory, we have the population, we "Well, what do you think of the place?"
was the anxious query. "Think of the place? why, its the liveliest town on the coast, and that dont half express it. You see I was unwary enough to tell a fellow that I had \$1,500 to invest where I could do the best with it, and what do you that I had \$1,500 to invest where I could do the best with it, and what do you think he did? Rushed right out and called a special meeting of the chamber of commerce, (a board of trade is too slow for Grants Pass.) and absolutoly dragged me over to attend it. They offered me every inducement to invest, cold me I could have a certain lot for \$1,200, then showed me another precisely like it for only \$600. A delegation from each chareh and political faction called on me formally, and pleaded with me to settle among them, and invest my little \$3,500 where it would increase 500 per cent in six months. The chamber of commerce sat in constant session three days and nights, and I was feted, fed on the fat of the land and given free excursions to inspect every acre of arable land in Josephine county. But I clung with a death grip to my \$3,500."

**College to the rising generation, and the future wellare of this region of country, and the future wellare of this region of country. Southern Oregon have undertaken such a movement. In their spring session at Jacksonville last April, they located a size for a college and placed themselves to construct thereon a building for this purpose to cost not less than \$5,600, and appointed a committee to see the thing carried out speedily. Jacksonville furnished the site at a cost of one thousand dollars, which was accepted, and they have since pledged two thousand dollars, which was accepted, and they have since pledged two thousand dollars more toward the building. Now, why should not the remaining three throusand be immediately raised? The Prespytery comprising the counties of Coos, Curry, Douglas, Josephine, Jackson, Klamath.

SHILAND, O'CIN.

**THE DELMONICO has been completely to pledged themselves to construct the provided and refitted by the undersigned, and will be conducted in a manner to pledged themselves to cost not pledged themselves to cost not

a death grip to my \$3,500."
