

Barney O'Neil, W. B. Roberts and wife, of Madford, are at the coast.

J. H. Stewart shipped a carload of mixed fruit to Portland this week.

M. Foreman and a party from Central Point are out in the Crater lake country.

The wheat on the Wisley farm near Central Point will yield forty bushels per acre.

Ralph Dean, of Florence Rock precinct, has recovered from his late indisposition.

Julius Bonham and family have returned to their home in Salem, from California.

The man who has the most "three sense" is the one who lets horse racing severely alone.

McDonough Rose, of Willow Springs, are leading a band of cattle and horses on Bald mountain.

The residence of the late Mrs. Lucy Allen, three miles from Grants Pass, was destroyed by fire last week.

Dr. Jackson has purchased J. W. Snowden's interest in the Grants Pass marble works and will continue the business.

James Norris can furnish you all kinds of finishing lumber, mouldings, window sashes, etc., etc. Write us at Luckey's.

T. Shattuck shipped the first carload of melons from Rogue river valley last week. He has agencies at Tacoma, Seattle, and Portland.

Each Gale of Willow Springs precinct had his leg broken a few days ago, while leading a cow by a rope. The animal was startled and jerked the rope.

The nearest man on earth, next to the society of a penitentiary, is the blackmailer; and the nearest blackmailer on earth is a newspaper blackmailer.

W. G. Walker, of the firm of Slaver & Walker, while at Foley spring, was taken by a deer and killed by his hunting companion, a young man named Powers.

The Centre de Paris and his court will start in New York and bring along their long aristocratic lineages. A big feminine fluff will then go up from America's shores.

Twenty-five thousand barrels of whisky at the Kentucky distillery, Louisville, was destroyed Thursday. Total loss, \$2,000,000. The flames caught from a lamp by a leaking whisky barrel.

Why suffer with headache and neuralgia? Wright's Paragon Headache Remedy never fails. Safe, sure, soothing to the nerves. Does not irritate the stomach, and induces sleep. Try it. Sold by T. K. Bolton.

The killing of W. H. Walker brings to mind the fact that the man taken for a deer seldom escapes. The hunter can be blindly about in the brush, and if the object is a man, get game every time.

The owners of the Jewett mine in Josephine county are in San Francisco to purchase a Huntington quartz mill with a capacity of not less than twelve tons per twenty-four hours, and possibly double that capacity.

Among the people at Crater lake this month were Clarence Nye and family of Florence Rock and Misses Brown and Bailey of Roseburg, Henry Gordon, brother and sister and the Misses Ried of Florence Rock.

New lot of stylish shoes just opened at Bonnet's.

The citizens of Marin county are sorely puzzled over Delbert Reynolds, being born a boy but becoming transformed into a woman. It is married and now passes under the name of Belle Hardman.

Dyspepsia in all its forms is not only relieved but cured by Simmons' Liver Regulator.

Mr. May Van Anken gave an eloquent entertainment at Sisson last Saturday. The lady is from New York, and comes highly recommended by Henry Ward Beecher, Robert McLean and others.

Whirls for the broadhead dress goods. Hansacker sells 'em.

MacKintosh, the colored confectioner, well known to the sorrow of many in Southern Oregon, recently enticed a California girl away from home and when caught was living at a hotel with her.

He was arrested for adultery, but the evidence was not strong enough and he got off.

Pills often leave a person constipated. Simmons' Liver Regulator never does.

The Myrtle Creek Gold Mining Co. has completed the surveying, and has demonstrated that the property will contain their valuable mine, and have a 1/4 mile ditch nearly two-thirds completed. A twelve mile ditch will give sufficient water to run two plants. When finished you will see the dirt fly.

Latest styles in men's nobby hats just received at Bonnet's.

The case of Dettlebach vs. Kernan, for criminal libel, which has occupied the attention of the people for a week or more in Judge Norman's court, was dismissed on last Monday. We understand that the defendant will be re-tried in Judge Walden's court, the case commencing on next Monday.—Sisson Herald.

Broadhead dress goods can be had at Hunsacker.

Henry Villard has made a prophecy. It is that within five years every kind of machinery will be propelled by electricity, and there will not be a steam locomotive engine on any railroad in the Union. He declares it as if he knew it for a fact, that marvelous improvements in electricity as a motive power are on the point of being introduced.

Men's and boys' clothing, boots, shoes, etc., etc. of latest styles, finest quality and at prices that defy competition, at McCall's.

Seattle never had higher compliments than were paid her Tuesday in a short speech there by H. W. Scott, editor of the Oregonian. At the close of the city which the great fire a little over a year ago Mr. Scott said: "The like of this all, achieved in so short a time, can scarcely be credited to any man witnessed in America; and if not in America, where else in the world?"

Wright's Sarasaparilla will cure the most obstinate skin disease, regulate the bowels, and put your life on a new basis. Sold by T. K. Bolton.

The Eastern Union Telegraph Co. running east from Madford has completed the line from Dana to Fall City and now proposes to work from Madford ten miles out to complete the work. It has made arrangements with the Western Union Co. by which it can use their poles for extending the line from Madford to Sisson, which will evidently be quite an advantage to both men and the people of the far east.

Men's striped shirts in good quality, just received at Bonnet's.

While the president and postmaster-general are using all the influence they have to suppress the lottery, the attitude of Russia's Harrison is very troublesome on account of the fact that he has commented on the publication of letters by Harrison in his Montana papers and his interviews in support of such a proceeding are made the subject of a great deal of talk and annoyance to the president. Young Harrison has at other times been the source of annoyance to the president, but never before has he attracted so much unfavorable notice as he has now.

Wm. Hutchinson, of Benton, Illinois, while on a cattle and horse in Texas last September, was taken with a very severe attack of cholera morbus and diarrhoea, coming, he supposed, from a change of drinking water. A local druggist advised him to take Chamberlain's Colic, Cholera and Diarrhoea Remedy. The second dose, he says, effected a complete cure, and he now takes pleasure in recommending it to others. For sale at 25 and 50 cents per bottle by Chitwood Bros.

Barney O'Neil, W. B. Roberts and wife, of Madford, are at the coast.
