to give a definite law covering every but his mind is fixed in curves of cuncase, but some adult voices are a neces-

ning. He and his principles are as Among the many venerable men who registered as voters in Brooklyn for the cording to the style of music rendered others to his will, too, as he presses his cording to the style of music rendered last election was a tall man with ruddy and the ability of the choir to read cane to a curve like himself. countenance and white hair and beard. music readily. In few churches are the

His spare form is not the thin, bent back of the student. The back of a bookworm is another kind of bend—a curve to be respected. Nor is it the His form was erect, and he would easily | rehearsals for boys less frequent than twice weekly, and in many cases indicurve to be respected. Nor is it the stoop of old age. The back is an index and announced his name there was a Many listeners express wonder at the of age as well as of character. The general craning of necks to catch a facility with which the little choristers small child stands a square, upright glimpse of the proud looking old man. render florid passages: but except in small child stands a square, upright atom of humanity. The man grows straight to his full height; then his shoulders broaden; then his shoulders rare instances these results are accomplished by hard and patient labor on the come forward, and his head goes down. TRAVELS. Descriptions, professly Hightrated, of the life. BACKBONE.

Boys of German parentage are greatly There is an old saying to describe a in demand, they seeming to possess betman of weak character that he has "no ter voices than American lads, and in adbackbone." There is not much backdition a musical instinct, which is a bone in the man who walks as if not great help to proficiency in their art. Boys are available for choir work be-"That's all, sir," said the clerk, and an tween the ages of 9 and 16. At an straighten his shoulders. Follow him American citizen, who was born in 1805 earlier age than 9 they do not possess and note how his hat points backward, and you know from the angles to which

Oregon worse than having too little. When a

man has too much backbone his heart is not, as people say, "in the right place." Sometimes there is no room in him for a heart at all. Now, there are some men in whom force of character is carried into the extreme, and becomes hardness

and habitual severity. A severe back is a pleasanter sight to see than a severe face. It is not what we would call the just and righteously indignant back, when the thin register is employed, the which is straight and noble, a fine thing compass of the voice is extended up to and a venerable. It is the bulldog shouloger. His bald head shines.

One knows that in the front the veins twisted to sharpness by angry fingers. His hands are clinched or pushing mightily against his hardset knee. He could strike, but he has too much pride, and his orders are harder than blows. He has a habit of getting his arm crookedly bent to his knee in self restrained wrath.

There are, indeed, many backs that when good-by is grievous, how much precious regard is wasted on the dear characteristic, well known back that never knows what loving looks went

and you know from the angles to which he has set his hat and his whiskers that, seen front face, his aspect is not wise. Still he is a good natured fellow, and by some instinct we read on his back that he has an ambition to be amusing. One is perfectly certain that the man with such a back sings comic songs, and equally certain that he never knows when people cease to laugh at the song and begin to laugh at himself. But there is such a thing as having too much backbone, and that is rather worse than having too little. When a

Which we Offer with a Year's Subscription to this Paper for a Trifle More than Our Regular Subscription Price.

Wishing to largely increase the circulation of this paper during the next six months, we have made arrangements with a New York publishing house whereby we are enabled to offer as a premium to our subscribers a Set of the Works of Charles Dick-ens, in Twelve Large and Handscane Volumes, with a year's subscription to this paper, for a triffe more than our regular sub-scription price. Our great offer to subscribers cellipses any ever heretofore made. Charles Dickens was the greatest novelist who ever

eclipses any ever heretofore mode. Charles Dickens was the greatest novelist who ever lived. No author before or smee his time has won the fame that he achieved, and his works are even more popular to-day than during his lifetime. They abound in wit, humor, pathes, masterly delineation of character, vivid descriptions of places and incidents, thrilling and skillfully wrought plots. Each book is intensely interesting. No homest could be without a set of the se great and remark-able works. Not to have read them is to be far behind the age in which we offer as a printed from entirely new places, with new type.

CHARLES DICKENS. pretaium to our subscribers is handsomely printed from entirely new plates, with new type The twelve volumes contain the following world-famous works, each one of which is pu ished complete, unchanged, and absolutely DAVID COPPERFIELD.

BARNABY RUDCE AND CHRISTMAS STORIES, OLIVER TWIST AND GREAT EXPEC-

TATIONS, THE OLD CURIOSITY SHOP AND THEUNCOMMERCIAL TRAVELER, A TALE OF TWO CITIES, HARD TIMES AND THE MYSTERY OF EDWIN DROOD.

The above are without question the most famous novels that were ever writer. couches, corners, to fit in uncomfortable angles—cushions unlimited and of every variety.
