During the winter, the system becomes to a certain extent clogged with waste, and the blood leaded with impurities, owing to lack of exerise, close confinement in poorly ventillated shops and homes, an lother causes. This is the cause of the dull, sluggish, tired feeling so general at this season, and which must be overcome, or the health may be entirely broken down. Hood's Sarsaparilla has attained the greatest popularity allover the country as the favorite Spring Medicine. It expels the accumulation of impurities through bowels, kidneys, liver, lungs and skin, gives to the blood the purity and quality necessary to good health and over comes that tired feeling.

Greek Must Go.

The most dangerous attack on Greek in the schools and colleges yet seen was made the other day in England at a meeting of the head masters of the Eton, Harrow, Rugby, Winchester, Westminster, Charter House, St. Paul's, Clifton and other schools—one of their usual annual or semi-annual gatherings. It was led, or in fact made, by Mr. Welldon, the head master of Harrow. He advocated the abolition of obligatory Greek both at school and college and the substitution of science or modern languages, on two grounds.

The first was the poed of adapting ed.
