Sir John A. McDonald, Canada's dis-

The new people's party have held a convention in Iowa and put in a state half hours late. ticket. Gen. James B. Weaver was chairman of the platform committee.

Of the military wagon road decision the Lakeview Examiner says: The men who stole all these wagon road lands are resting easy. They know that the Dolph bill made it impossible for them to lose by Hood's Sarsaparilla, which cures catarrh the land, after so many men(?) had perjured themselves as to the completion of the road.

"The Life and Political History of Sylvester Pennoyer, Governor of Oregon," is just out. It is a neat book of forty pages and gives interesting sketches of the governor's career. As the work was prepared by local historians it has an additional interest. The work will be largely circulated in the East, as well as in the Northwest .- F.x .

Feats of gastronomy are not of frequent occurrence in Oregon, but when such does occur it sets the standard high. The Yaquina Post tells of a citizen of that place, one A. J. Rader, who aston- July 7th be fixed as day of final settleished his friends by swallowing no less than twenty-six raw eggs in less than five minutes. If Mr. Rader had only Oregonian, 10th.] completed his repast with a few quarts of custard pie he would have made.

The Alta says it died of too much de-cency, bonor, courage and virtue. If the that he believed that such weather as we Alta's conclusions are correct this must have had of late would do more in the be a sorry old world. The trouble with way of destroying insect pests such as the Alta is what ails many other papers, it was too high-toned. A paper should get right down where the people are, if it wants to do well and be readable and popular. Sitting in a corner growling at the world and making envious remarks the world and the chances are that but few about other newspaper enterprises is of them survived the late chilly nights. very poor business and doesn't pay.

The Roseburg Review thus remarks: The Reflector, published by the students The Reflector, published by the students of the Oregon State University, asks:

"Why can't we have a college yell?"

Probably because you failed to have the legislature, make an appropriation for legislature make an appropriation for 39 s r 1 e, 10.40 acres; \$2000. furnish their education and go out into in tp 34 s r 4 w; \$25. the cold, cold world to battle with the realites of life and not be able to make a distinctive college yell.

Mary Watkins to J Hamilton—the undinterest in the estate of Wm Wooley; \$200 distinctive college yell.

The plucky Itata very adroitly evaded 36 s r 2 w; \$1000. an unexpected point held by the insur-gent party in Chili. Although her work Medford; \$120. was heroic and fine the insurgent authorities decided to give her up rather than M. Recent to Ben't Thomas A. M. Recent to Ben't Tho have trouble with the United States, The 47, Highland Park add to Ashland; \$450. insurgent party only lacks guns and amition to wipe out the tyranical and autocratic czar, President Balmaceda, who now has the right to suspend public meeting and the liberty of the press, besides putting people in jail or under heavy bonds to keep them from declaring their soul is their own.

Very liberal terms were offered to rail- Yreka, Cal., Journal. road builders by the last legislature, exempting all their property from taxation seems to have revived the cricket plague for a period of five years, if constructed which monopolizes the entire northern within two years from the passage of the act. We cannot advocate the advantages of California for general farmcomes here wants \$2000 at least, not to buy land only, for they can buy land cheap enough, but to put on the land after he gets it. There is a steady inquiry pests in driving droves of hogs to good for California lands. During March we feeding grounds for crickets, one drove sold \$49,000 worth of lands, more than for many months before."

Dixon, who recently got seven years for burpose of being turned into prize ham horse stealing, as "an editor gone wrong." Dixon never thought of engaging in the newspaper business until he got into his little "difficulty," and needed an organ to present his side of the case before the to present his side of the case before the they can bore holes in the ground with public, and then we never heard of his their tails in which to deposit eggs. writing a two line local unless the regular editor and the roller boy were absent. they will appear in still large the Some editors may do a little petit larcenv during the '60 period, when they invaded business on the sly, but no true editor Yreka extensively, had no such effect, would ever steal a horse. He'd never as there was scarcely any crickets during make money enough to keep one after he did steal it. Dixon, on the other hand, was a one horse lawyer and real estate man, and consequently could pick as there was scarcely any crickets during as the following year. There is hardly any season but what some of them may be seen, their large number this season being due to the exceedingly mild winter preserving their eggs from destruction. up enough on the outside to maintain a whole band of horses.-Ex.

dude. By reason of his birth—which technically counts for nothing in this country—he is an important figure in England, no matter what he may be bimself. But that is no reason why the Prince of Wales should not work the catarrhal symptoms and my hoarseness disapeared and I was able to sing a heavy role in Grand Opera with voice unimpared. I strongly recommend it to all singers.—Wm. H. Hamilton, Leader Basso of the C. D. Hess Grand Opera Co. Prince of Wales should naturally be a darned fool. He is well educated, has besides advantages in seeing things and affairs, and is a man of good sense and judgment. In these two last accomplish- the public to provide for the erection of a For the Purpose of Selling the ments the most loyal American will give monument to the memory of Col. E. D. him credit of being more richly endowed Baker, above the present location of his than our "Prince Russell" Harrison. remains in Laurel Hill cemetery or The fact that he plays baccarat, for the Golden Gate park. fun of the thing, only works against him among a few, for in this proud, free nation, there are only a few of the public libel (in the baccarat case) was decided

A sure cure for the whisky habit: Dr. Livingstone's Antidote for Drunkenness will cure any case of the liquor habit in from ten to thirty days, from drinker to the drunkard. The Antidote can be given in a cup of coffee without the knowledge of the person taking it. The Antidote will not injure the health in any way. Manufactured by the Livingstone Chemical Co., Ban Francisco, Cal., and for sale by T. K. Bolton.

Passenger Train Derailed.

Tuesday's south bound train ran into a band of cattle near Copley, 12 miles north of Redding, throwing the engine from the track against the bank, and detinguished statesman, died Sunday.

Michael Davitt, the Irish politician and editor, arrived in San Francisco with his wife last week.

Montanyo miraculously escaped death. The former was badly bruised, and had one shoe wrenched off his foot. Express agent T. L. Knight was wounded slightly in the head. A wrecking train from Dunsmuir went to the relief and cleared with his special case. This is not puffery

Catarrh in the Head Originates in scrofulous faint in the blood. Hence the proper method by which to cure eatarrh, is to purify the blood. Its many disagreeable symptoms, and the danger of developing into bronchitis, or that terribly fatal disease, consumption, are entirely removed by purifying the blood; it also tenes up the system and improves the general-health.

POINTS FOR BUSINESS MEN.

Not Quackery but Humanity. The Chicago Tribune, in commenting on Dr. Brinkerhoff's case, says pertinentrailing the mail and express car. The train was coming around a curve. The advertisement is to bring those who want cab on the engine was thoroughly demol- something in contact with those who ished. Engineer Gardner and Fireman have that something to dispose of. The the track so that last evening's north with his special case. This is not puffery train arrived in Ashland only four and a or quackery. On the other hand, it looks very much like humanity."

Balaam and Boaz Were Wise. Advertising is an ancient and honorable institution, and was practiced longer ago than a great many people imagine, Get your Bible, turn to Numbers xxiv, 14, and you will see that Balaam believed in advertising, and said to Balak; "Behold, I go unto my people; come, therefore, and I will advertise." Turn again to Ruth iv, 4, and you will find that Boaz, in connection with a real estate transaction in which he was interested, expressed himself as a judicious

They Are Thoroughly Read. The advertiser gets more for his money now than formerly, because the greater attractions of the newspapers increase the number of newspaper readers, and besides the newspapers are read more thoroughly now than ever before. The advertising columns are an interesting feature of well conducted newspapers, and are read about as generally as the news columns. - Savannah News.

The Local Paper's the Thing. That the local press is by far the best means of advertising the advantages of a town or city is a recognized fact. The The cool showers of the past week and real estate men of Texas held a convengrowers wanted and hardly what was to things done they agreed that the very be expected at this season, may have best way for towns to advertise themselves was through the medium of the local press.—Lexington (Va.) Gazette.

How to Make It Pay. If you would advertise to influence others you should prepare such an advertisement as you think would influence you. Have it set in a sort of type that is easily read. Place it in the best paper available, and advertising will always pay.-Yonkers Statesman.

Exceptions Prove the Rule. The argument against advertising that it does not always pay is as senseless as the argument against eating food be-cause some fools have made themselves

The Best Is the Cheapest. Never do poor advertising; never let any one else do poor advertising for you. Poor work never pays. Use the best

Word It for Business When you expect an advertisement to create business, word it for business. An advertisement has no life in itself-it depends for its efficiency upon the vigor with which you endow it.—"When."

A Bureau of Information. In large and ever growing communities wants of one kind or another are NORTH OF THE PLAZA. erennial, and advertising columns are a ureau of information never to be closed. -Philadelphia Ledger.

The former bloodthirsty savage Indian chief, Geronimo, is now reported to be an earnest Christian and an enthusiastic Sunday school teacher.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

tal has not made any move. No State has ever offered greater inducements for the construction of railroads, and it seems somewhat singular that so much time has already been allowed to clapse without any decided steps being taken.

The following remarks from W. H. Mills, land agent of the S. P., hits this section so well that we reprint it: "People ought to begin to realize we do not want in California the same class of important and many decided many decided steps being taken.

Caused no great damage except in a few patches of barley and garden truck, preferring the dry wild grass of the barren plains and hill to either wheat or alfalfa. They are regular cannibals too, and devour dead crickets run over by wagons, or otherwise killed, and also eat all sorts of garbage on their march.

Between Yreka and Montague, they swarm into the houses at some points and are driven off by charivari music of tin cans, bells or any other racket, in fact a first-class chinese band would be a good want in California the same class of important of the construction of railroads, and it seems patches of barley and garden truck, preferring the dry wild grass of the barren plains and hill to either wheat or alfalfa.

They are regular cannibals too, and devour dead crickets run over by wagons, or otherwise killed, and also eat all sorts of garbage on their march.
