How's Your Liver?

In the Oriental salutation, knowing that good health cannot exist without a healthy liver. When the liver is torpid the bowels are sluggish and constipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. Simmons Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy liver than any agency known on earth. It acts with extraordinary power and efficacy.

NEVER BEEN DISAPPOINTED. As a general family remedy for Dyspepsia, Torpid Liver, Constipation, etc., it has been tried in almost a perfect cure for all diseases of the stomach and bowels.

THE SILVER LAKE SUFFERERS.

No Relief Subscription Needed in what Christian Bros. Say. The following letter from the only mercantile house at Silver Lake to the County Judge of Klamath county negates the idea that there is any great distress for the want of food and money. Silver Lake, Or., Jan. 30, 1895. Mr. C. S. Moore, Klamath Falls, Or. Dear Sir—Your favor of the 24th inst. received, which contained a check for \$5.00 endorsed in our favor for the benefit of our sufferers, which are so reported as sufferers. We cannot see that we are in need of any money, especially at the present. We only have had two families that were in actual need, and we have had several very liberal donations from a distance, both of course money at this time of a year is scarce here which is on account of our citizens laying in their supplies in the fall for the winter. This being the case how can we have people in distressing circumstances, which is reported. We are sorry that Mrs. J. and daughter of Roseburg are visiting Jacksonville folks. A daughter was born to the wife of D. W. Crosby of Medford at Riddle Feb. 1st. Hood's Pills cure constipation by restoring peristaltic action to the alimentary canal. Geo. Nickerson of Klamath Falls has been admitted to the bar by the supreme court. Loomis & Dunigan have put a 5-stamp mill on their Browning ledge on Grave creek. F. S. Hatchwell and Miss Maud Shaver were married in Ashland Sunday by Rev. Black. Mrs. D. A. Penning, sister of the Messenger brothers is down from Portland on a visit. A. Feich, the Medford tailor, has moved to Grants Pass and gone in business with his brother. James McFarren and Mrs. Henrietta Smith were married at Medford last week by Justice Walton. Mrs. Luckey and W. P. Benn who left Ashland recently were married at Oakland, Cal., Jan. 31st. L. C. Parker, grand master of the I. O. O. F. of Oregon is paying southern Oregon lodge official visits. Lakeview is agitating and holding meetings for constructing electric light plant and a roller flour mill. Washington's birthday will be celebrated in Ashland by a grand macarade ball under auspices of "D" Co. Mrs. Standard has returned from a visit with children and grand children in the Willamette and Douglas counties. Klamath was defeated by Azole in three straight heats Friday at Sacramento, Azole lowering the record to 2:09 1/2. Bailey Bros. are again in possession of the Mt. Lion mine on Mission Flat, the San Francisco papers having given up their hold. Common Sense. Should be used in attempting to cure that very disagreeable disease, catarrh. As catarrh originates in impurities in the blood, local applications can do no permanent good. The common sense method of treatment is to purify the blood for this purpose there is no preparation superior to Hood's Sarsaparilla. The S. P. Gets Patent to Lands. About 4000 acres of land in Josephine county has been patented to the railroad company. The land patented is mostly in the section of Kerby and Waldo and the notice was advertised on August 8, 1894. The list also includes that much or more land in Jackson county. This is the land that the general protest was made on last fall and we are of the opinion that no protest whatever was made against the railroad company as to the mineral character of the land.—Grants Pass Observer. Captain Swanney, S. A., San Diego, Cal. says "Shilo's Catarrh Remedy is the first medicine I have ever found that cured me of my catarrh. Price 50c. For sale by Ashland Drug Company. John C. D. H. Worthington and J. W. Hamsaker have secured positions as clerks in the Oregon legislature. The Express says Ex Gov. Penoyer has promised to visit Klamath county during the winter months as a guest of Gen. John F. Miller. Chas. Kohler, who died recently in San Francisco leaving a high estate, and baffling the insurance companies will be all to Carrie Joseph Parsons Douglas, who is said to be a native of Appleton in this county and a daughter of Capt. Bose. The several section crews of Jackson county put 12 trainloads of ice from Truckee, Cal., into the Ashland railroad ice house the first of the week for summer use. Conductor Al. Morris' work train finished their wood-hauling to Ashland depot Saturday. The railroad company will proceed to plow up the proposed park as soon as the ground is in condition and will afterwards fence it in, leaving a foot-path across Third street but compelling wagons to go around near Gilbert creek as per contract with the city council a year or so ago. The city will have to move the section house.—Grants Pass Courier. FROM SALEM. Whiteside Promoted from a Female Clerkship to Door-keeper.—Dolph, The Machine and Extravagance. There have been employed fully 50 more clerks than are needed, so that people are being discharged out of fully \$200 per day now, with every prospect for a worse condition to obtain. Among the clerks employed in Gulliver, who was last session a member from Multnomah county. He was of no benefit to the people as a legislator for his record is extravagantly bad; and now he is drawing \$5 a day for assisting to "expert" the books in the office of the secretary of state. The truth is, Gulliver is not here to do "expert" work. He is here to lobby for J. N. Dolph, and he does but little else. His appointment as clerk is a subterfuge by which Dolph pays his campaign bills out of the treasury. Worthington, editor of the Klamath Falls Express, is also a committee clerk. Worthington is supposed to be a demagogue, but some how his paper has been supporting Dolph, and the other day Brownlee of Clatsop county, who was on a committee. This is the way it pays to "stand in" and now he gets a good salary and has nothing to do—except write for his own party. I offer these two as illustrative of the way Dolph lessens the expenses of his campaign. Dolph is a demagogue, a demagogue, for nearly every lobbyist Dolph has here is provided with an excuse for plundering the treasury. It seems to me that Senator Dolph cannot get on with drawing a salary of \$17,500 a day from the people while he is here in his office and getting the money for himself.
