Quinn, charging them with the violation of the 10-hour law. Mexico's conditions have been peace-

tions will be published officially this Judge Baker of the United States court at Indianapolis, in the suit of the International Typographical Union versus Theodore P. Haughey and other directors of the late Indianapolis National bank, laid down a new doctrine relative to the conduct of national bank, officers. He holds that directors who sign false reports of a bank's condition are liable for amounts lost by depositors of the bank in case of its failure. The suit was brought against the directors of the bank to recover \$65,000, which

appointed by Governor Flower of New charges failure to provide and infidelity. A Mrs. Webber is made core-York to view as scientific witnesses an execution by electricity, has been made public. It is the theory of Dr. D'Arsonval of Paris that death Is produced by the knife of the surgeon who performs The Chinese emperor has restored to Li Hung Chang the yellow jacket, pea-

cock feather and other honors. He will be summoned immediately to Peking, the emperor; thence he will proceed to Japan to arrange terms of peace. Viceroy Wang Wen Sao will take temporary charge at Pai Yang. Employment Wanted
