and the Western states.

According to their statements, which lend to its adopting a more liberal policy are backed by strong documentary proof, toward silver than it did at the late rea construction has been put upon the in- publican convention.'

CONSUMPTION

battle from the start, but with the right kind of weapons properly used it can be overcome and the insidious foe vanquished. Hope, courage, proper exercise, will-power, and the regular and continuous use of the best nourishing food-medicine in existence—

Scott's Emulsion

-the wasting can be arrested, the lungs healed, the cough cured, bodily energies renewed and the physical powers made to assert themselves and kill the germs that are beginning to find lodgment in the lungs.
This renowned preparation, that has no doubt cured hundreds of thousands of incipient cases of Comsumption, is simply Cod-liver Oil emulsified and made palatable and easy of assimilation, combined with the Hypophosphites, the great bone, brain and nerve tonic.
