Pelton & Neil vs. Chas. Hosley; to recover money. Trial set for May 10, 1895 The death at Monterey of William Tibbets ended a case with scarcely a parallel in medical history. He had dropsy, but the peculiarity was that he was in a condition of partial petrifaction. His body was as rigid as stone. 49 32 The point of a needle made no indentahad disappeared. During the last few weeks of the illness of Mr. Tibbetts his

body would at times become black, but this discoloration would pass away within a day and the flesh assume its natural ashen hue. Judge Myers of the federal court in Kansas, in granting the petition of W. F. Johnson of Topeka, who sued Dr. Leslie E. Keeley for \$100,000 damages, rules that Dr. Keeley must make known the ingredients of his bichloride of gold compound. The court holds that the compound is not a property right nor a is the property of George Kramer, who 3 00 trade secret, being also unprotected by has already been offered over \$1,000 for a patent, and has been in use more than two years; in fact, there is nothing to prevent Dr. Keeley testifying. Prices from \$4.00 to \$18.00 per suit, and they are all of the most beautiful patterns we have ever been able to offer to the trade during our long experience in the clothing business in Ashland.

Our fine tailor made clay worsteds at \$12.00, \$15.00 and \$18.00 will more than please you when you take a look at them. They fit fully as well as any suit you can get made at a great deal higher price and are just as well cut, all the very latest.

Our reason for being able to offer clothing at the prices we do, is simply the fact that we do not sell one dollar's worth on time, and you only have to pay for what you buy yourself, and not the bad debts contracted by other parties.
