ASHLAND, Or .... Thursday, July 4, 1895.

The Oregonian wants the railroad commissioners to take steps to prevent Secretary Kincaid from drawing an unconstitutional salary of \$20,000 a year.

Senator Hill, of New York, wants the silver dollar made larger. To the St. Cloud, Minn. The position was of- fornian, was drowned off Mazatlan, thousands who only see one occasonally fered to Dr. O'Gorman of Washington, Mexico. They were out in a yacht when head. it is as big as a barrel-head now.

The coming woman is coming right along like a race horse. Several of her tried to lynch the foreman of a woolen factory at Trenton, N. J., the other day because they "didn't like his looks."

It does not appear that a robber needs to be brave in order to successfully hold up a stage-two of them, indeed, at the same spot in the same day-on the Klamath Falls and Ager route. All he needs is impudence and a collection of funny stories wherewith to beguile the tedium of a wait in the mountains which would driver and the lone passenger as they waited for the coming of the other stage.

—Oregonian Editorial. otherwise probably have oppressed the

A New York preacher used this lan-guage in a sermon on the income tax decision: "Think of the spectacle of our A remarkable case of ossification has decision: "Think of the spectacle of our great jurists and legal thinkers degrading the high intellectual gifts of God to the service of Mammon. The courtesan of of sin is a vestal virgin compared to the man who for a price set their great abilities to perpetuate the poverty of the poor and relieve the riches of the rich of a righteous return to the government so. Until four years ago the child was perfectly healthy, lively, talkative and intelligent, but since that time she has not walked, talked, laughed or uttered an intelligible sound. Her eyes are the only indicators of the child's wants. that protects them." Hot stuff, that.

American Aristocracy.

When Max O'Rell was lecturing in this country he once wrote to a fashionable woman who had expressed the hope that she would not be expected to introduce him to her guests that, although he had several times been entertained by royalty, his ambition had never been so wild as to expect that he might one day be entertained by the aristocracy of

aristocracy of New York prides itself Tex. Each is confident of victory and on being the most exclusive in the world. It is easier to get into the Prince other fellow. Corbett says Fitz has a only way she can get it is to take it of Wales' set in London than into the poor head and he will punch it several from Japan. York, they are fond of believing.

Marco Bozzaris," which he once said had the genuine ring of poesy. Keats seemed to regard "Endymion" as his best, though one of his biographers says that he spoke very well of "Hype

Hazlitt thought that his "Characters of

Shakespeare's Plays" better deserved conany of his other writings. De Foe expected his fame to rest on his political writings, which form the bulk of his works, and did not appear to attach much importance to "Robinson Crusoe."

THE REPORTER'S REPLY.

He Quickly Discovered That He Wasn's Talking to a Gentleman On Monday night a well known operatic star appeared at one of the lead ing opera houses. It was rumored that Monks says. A year's work brings down | she had bet \$1,000 on Levi P. Morton. house to inquire into it, but the business manager of the troop would not let the reporter enter behind the scenes. When the opera was over, another reporter was sent over to the hotel where the operatic star was stopping. It was half past 11 when he sent up his card rom consumption requesting to see the singer in regard to her bet. A moment later the business manager came down stairs and con-

this turn of affairs. "Have you ever been a newspaper

The business manager said he had.

"Well, then," said the reporter, "you must know that a reporter seldom dis--Syracuse Post.

E. W. Joy Company—Gentlemen: I have suffered from kidney trouble for two or times. My sleep was disturbed, and I be-came very thin and nervous. No appetite; bowels constipated. I have taken two bettles and gained fifteen pounds. Sleep well. Have to get up about three times during night, and am very much better in every respect. Will continue to take your Veg-etable Sarsaparilla, for believe it will entirely cure me. (Signed) MR. EDWARD W. FRENCH
