Cherry Pectoral SAVED HIS LIFE

So says Mr. T. M. Reed, a highly-respected Merchant of Middletown, Ill., of a Young Man who was supposed to be in Consumption.

"One of my customers, some of years ago, had a son who had all the symptoms of consumption.
The usual medicines afforded him no relief, and he steadily failed until he was unable to leave his bed. His mother applied to me of for some remedy and I recommended Ayer's Cherry Pectoral. The young man took it according of to directions, and soon began to improve until he became well and strong."—T. M. REED, Middletown, Ill.

"Some time ago, I caught a severe cold, my throat and lungs were badly inflamed, and I had a terrible cough. It was supposed that I was a victim of consump-tion, and my friends had little of hope of recovery. But I bought a bottle of Ayer's Cherry Pectoral, took it, and was entirely cured. No doubt, it saved my life."-I. Jones, Emerts Cove, Tenn.
