The Lake City "Water Spout." Redding, Cal., June 9.—The once beautiful little village of Lake City, nestling in the foothills at the head of Surprise valley, in Modoc county, is a scene of devastation, ruin and disaster. What was once a brisk and lively burg of 200 inhabitants with neat and cosy dwellings and substantial business, is now but a vista of tangled wreckage, nearly every building in the town being wholly or partially demolished.

Geo. G. Ogg and wife returned to Sacramento Friday.

Boyd Robison and wite have returned from Portland.

Joe Sylvester, the long-haired fakir, was in the yalley last week.

Bearly every building in the town being wholly or partially demolished.

The inhabitants of Lake City were aroused from their early morning slumbers last Friday by the roar and rush of angry waters, and before many of them had time to look to their safety without attempting to save their effects. from residences, stores or business places

W. T. Cressler, who owned a store, storehouse and residence on the bank of a small ravine that runs through the control of the small ravine that runs through the control of the storehouse and residence on the bank of the small ravine that runs through the control of the small ravine through the control of the small ravine through the control of the small ravine that runs through the control of town, lost everything and barely escaped willing to unload it on anybody who with his life. Twenty tons of sacked flour will listen or dare to test its infallibilare other minds to which there is somewas carried off as a bundle of leaves ity. I have known four or five healthy thing specially solemn and impressive would travel on the water.

Mrs. Hamlin, a widow living opposite Prof. Tyndall, the celebrated mind reader, gave exhibitions in several of the valley towns last week.

Mrs. P. L. Fountain, who has been visiting Ashland relatives, returned to Klamath county last week,

Irving Vining is representing the Ashland state normal at the Monmouth and Eugene commencements.

of the storm, and her escape was miraculous. She vainly attempted to rise and breast the storm, but failed. A man swam to the rescue, and she was carried in safety to dry land. Two minutes later the waters carried away her cottage. The whole town was undermined by the flood, and the damage is estimated at over \$30,000, a heavy loss considering the size of the place.

gold that is sent to Europe in payment for our imports. Matthew Marshall calls attention in the New York Sun to the great saving and advantage it would be if, instead of making these bulky and heavy shipments of the yellow metal itgold that is sent to Europe in payment self back and forth across the ocean, na-

Unfortunately such an improvement, like the universal disarmament and universal peace advocated by some benevolent enthusi asts, is at present impossible, and the clums asts, is at present impossible, and the clumsy system of weighing, packing, carting, shipping and insuring of gold back and forth will probably continue to prevail for years to come. In fact, if it could be abolished, the use of gold generally as money could also be abandoned, and the paper obligations of governments and government banks could be made to take its place. The actual gold is needed only because of a want of faith in promises to pay gold, and so long as nations are hostile to one another and war between them is possible any day this The intense itching and smarting inci-

If it requires an annual outlay of \$100.00 to insure a family against any serious consequences from an attack of bowel complaint during the year, there are many who would feel it their duty to pay it; that they could not afford to risk their lives, and those of their family for such an amount. Any one can get this insurance for 25 cents, that being the price of a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. In almost eyery neighborhood some one has died from an attack of bowel complaint before medicine could be bowel complaint before medicine could be procured or a physician summoned. One or two doses of this remedy will cure any ordinary case. It never fails. Can you afford to take the risk for so small an amount? For sale by Ashland Drug Co.
