Y. E. A. SHEKWIN ASHLANI ORNOWAN A9 YEARS OF SUFFERING FROM TISM,

DEAR SIR:—

DEAR SIR:—

JANUARY 2, 1897.

Over 34 years ago, I had Typhoid Fever, and barely escaped with my life. It left my system so shattered that I have had, ever since. Rheumatism and Throat Trouble, which gave me a terrible Cough. I had been unable to find any relief for these diseases, until I learned of your "5 DROPS", which I commenced taking only two months ago, and my cure has been indeed wonderful. Already my cough has entirely disappeared, and the Rheumatism which for a few years past has threatened to make a cripple of me, is cured, and I am free from pain. This is the most wonderful and the cheapest remedy ever discovered. I am more thankful to you than words can tell and I want everybody to know what "5 DROPS" has done for me. Although I am over 70 years old, I am feeling better than I have in years.

I shall be glad to answer any questions regarding my case from anyone enclosing a two cent stamp. Gratefully yours, MRS. SAMUEL RIBLET, Litchfield, Mich. CATARRH AND HAY FEVER. CATARRH AND HAY FEVER.

PARALYSIS AND RHEUMATISM
DEAR STRS;
It is with pleasure I speak of your priceless remedy and of the good it has done me.
For the last eight years I have been an incurable cripple from paralysis and rheumatism.
Just think, for eight years a total cripple, not
able to earn a penny nor able to walk or step
on the ground without the aid of something
to lean on. Heaven bless the man who discovered this remedy, for, thanks to him and
to God, Iam able to walk and able to work,
I have only taken two-thirds of a bottle, but
have not had any pain in my back since I
took the first dose, and after the second i
walked across the floor, which I have not
done in years. I have thrown away my cane
and shall never need it again. To any one
sending me a two-cent stamp I will send my
affidavit. I have another bottle of "a
DROPS" and value it at \$1.00 per drop.
Thankfully yours, EDWARD CASTILE.
