### AN OPEN LETTER To MOTHERS.

WE ARE ASSERTING IN THE COURTS OUR RIGHT TO THE EXCLUSIVE USE OF THE WORD "CASTORIA," AND "PITCHER'S CASTORIA," AS OUR TRADE MARK.

I, DR. SAMUEL PITCHER, of Hyannis, Massachusetts, was the originator of "PITCHER'S CASTORIA," the sams that has borne and does now bear the fae-simile signature of hat Hillitchers wrapper. This is the original "PITCHER'S CASTORIA," which has been used in the homes of the Mothers of America for over thirty years. LOOK CAREFULLY at the wrapper and see that it is

the kind you have always bought and has the signature of Chartelliteline wrapper. No one has authority from me to use my name except The Centaur Company of which Chas. H. Fletcher is President.

COUNTING OF THE VOTES. Recent Elections There Has Been Lit-

The counting of votes has been in vassers in certain districts reduced the side, and then going out to fling up their hats for the rest of the night. In the subsequent election competent and ircorruptible men supervised the canvass so strictly that the percentage of fraud was so small, if any existed, as never to be heard of. a well-informed watcher. The counting is done in public, and is often an interesting sight. Every organization and each candidate may send a representative to observe it, though nobody but the inspectors is permitted to touch the ballots. The traight tickets are first counted in tens four men in succession, and a tally s kept by at least two assistants. Each ame is credited with as many votes as there are tickets for his side one inspector reads off of those tickets which are "split," or have pasters atached, or upon which names have been crased or new names written, and each andidate is credited with a vote ever time his name appears. When this is finished the most prominent office is taken up, and the sum of the votes for each candidate is ascertained.
