The first part of the week is being consumed in the selecting of a jury.

Attorney W. I. Vawter returned to Medford Tuesday from a business trip to Killing of W. D. Blitch. J. D. Blitch, railroad agent and operator at Siskiyou, was called to Pendleton Monday by the sad news of the accidental killing of his brother. A Pendleton dispatch of the 28th gives the following account of the unfortunate affair: Miss Pearl Wilshire of St. Mary's Academy is spending the day with W. L. Johnson's family. A. F. Hunt shipped two car loads of sheep to Sacramento recently and sends out two more car loads Friday.

recomplete injuries. He was riding in a road cart and was crossing the track just beyond the O. R. & N. station at Weston, when it shall have attained the full fruition of intellectual liberty. "Peace on earth, good will to men;" that was the end sought and would yet be the joy of the Week" will be the subject of mankind. The lecture was so well rig, killing the horse, and picking up the cart and its occupant and carrying them on the pilot across the high trestle which ends a few feet beyond the station plat form at Weston.

Blitch was formerly assistant to the agent of the W. & C. reilcod and N. C. W. D. Blitch, of Pendleton, was struck Miss Etta King, who has been visiting her folks at Medford for a month, re-H. S. Evans is painting T. J. Kenney's handsome new residence in Jacksonville and fitting up the Native Sons' hall. Mrs. B. F. Fox arrived Tuesday from Globe, Arizona, to spend the winter with her daughter, Mrs. E. V. Carter.

Blitch was formerly assistant to the agent of the W. & C. railroad and Northern Pacific company here. Later he served the same companies as agent at Helix, leaving their employ two weeks ago. Blitch died last night at 9 o'clock. Coroner Folsom went to ascertain the responsibility for the accident. He exonerated the train crew from all blame.

Proposed Railroad to Coast.

It is reported by the S. F. Examiner that the Santa Fe R. R. has made a deal with Edgar and Albert Vance for the purchase of the Klamath railroad in Humboldt county,28 miles in length,controlling the entire water front at Eureka. Negotiations have also been made with the Donahue road now running from Tiburon to Ukiah, whereby an exten-sion may soon be completed to Eureka, for running Santa Fe cars to that place. Surveys have been lately made for the extension of the Donahue road 60 miles above Ukiah, for the construction the spring.

was to be made on the size of the Lossen gave himself up. Threats of

ligion being nearest in point to us was the one given special attention by the lady. Fear had been incorporated into the Christian doctrine to stampede the multitude into the Christian corrals.
"If you don't believe in Christ you will be dammed." "Accept this or you will inherit hell instead of a kingdom of everlasting joy." The speaker carried before her audience with artistic and

same clever style which characterized her previous speech. In this address traversed grounds that have been pathbeaten by adventurous freethinkers many times, but she lit up the way with witty incidents, clever reasoning and original treatment of the subject. ending with an eloquent peroration de-livered with great elocutionary effect. The evident interest was maintained throughout the address which lasted nearly two hours, the audience being

wery responsive.

Mrs. Nettie Olds-Haight is quite a young woman, but she speaks with the equanimity and grace of a veteran platform orator. She is a woman of large culture and wide reading, bespeaking an indefatigable student in one so young. She is more of a logician than a declaimer, and is likely to fix her points in the mind to stay for a time. She the mind to stay for a time. She possesses in plenty the gifts that are pleasing to the public from the rostrum a fine presence, a sweet voice, ease and fluency of speech, and withal an amiability that disarms prejudice. Her sincerity and earnestness in her desire to do good from her point of view are to do good from her point of view are to do good from her deeply sympathetic

QUALITY AND NEWS

Fame and Excellence are Determining Factors in Successful Development.-One of the Important Functions of High-Class Newspapers.

In presenting interesting phases of scientific and economic problems, high-class newspapers frequently give information of as great value in their advertising columns as in those devoted to the foot square chart and the fruits were painted in red and black paint. It was very original and unique and made a telling impression on the audience.

The enrollment committee reported a number of new names and suggested the subdividing of the city wards for canvassers to assist in the work.

Foot Ball Team Today.

Tissing columns as in those devoted to the publication of the principal events of the day; all when the fame of a product is extended beyond its natural limits into foreign hands, and a large demand created throughout Great Britain and her Colonies and the principal events of the publication of the principal events of the day; all when the fame of a product is extended beyond its natural limits into foreign hands, and a large demand created throughout Great Britain and her Colonies and the principal events of the publication of the principal events of the publication of the principal events of the publication of the principal events of the day; all when the fame of a product is extended beyond its natural limits into foreign hands, and a large demand created throughout Great Britain and her Colonies and the principal events of the publication of of the publicati which so great a success is based. We refer to the now world-famed laxative remedy, Syrup of Figs, the product of the California Fig Syrup Company. The merits of this well-known excellent laxative were first made known to the world through the medical journals and newspapers of the United States; and is one of the distinct achievements of the

one of the distinct achievements of the press. It is now well known that Syrup of Figs is an ethical proprietary remedy, approved by the most eminent physicians everywhere, because it is simple and effective, yet pleasant to the taste and acceptable to the system, and not only prompt in its beneficial effects, but also wholly free from any unpleasant after-effects. It is frequently referred to as the remedy of the healthy, because it is used by people who enjoy good health and who live well and feel well and are well informed on all subjects generally. well informed on all subjects generally, including laxatives. In order to get its beneficial effects, it is necessary to get
