Read these Testimonials, given under oath, of Cures Actually Performed:

I can cheerfully state that the Snap Shot is the best liniment I have ever used, or ever heard of in a life time.

We always keep a bottle of it at the normal school. Among the athletic students who have been hurt one or two applications of this liniment has taken out the inflammation and cured a sprained ankle, a dislocated knee and a mashed finger. One application cured a young lady of a paralized arm and another voung lady who had the rheumatism and also a stone bruise was entirely cured by two applications.

W. Dickerson who being duly sworn, made the following statement;—
My daughter, who was a student at the State Normal School, one night while study-ing felt a pain in her hand which seen extended to the arm. The next day she went to school and during the day she lost the teachers sent her home, fearing blood-poison. When she arrived home I took her to Mr. Sutton's office where he applied "Snap Shot" liniment and within twenty minutes of the first application, the swelling was gene down, the pain was gone and the spotted appearance left it, and she has never had the least trouble with her arm since or a recurrance of the pain.
