ASHLAND, Or Thursday, Jan. 25, 1900

The Oregonian Opens on McBride Leading Editorial in Oregonian of Monday.]

It is on everybody's tongue that Oregon is weakly represented in the senate, where it ought to be strong. Approach of the end of McBride's term suggests that he ought to be replaced by a stronger man. Four months hence the legisla. vember.
ture that will name McBride's successor Eleven of these officials, including ance of this consideration. The state main in prison. means also to its present development its control to overthrow the Americans, admit that such is the case. The work and future progress, the state ought to The plot failed through being started is proceeding slowly. ought to be raised against the assump-tion that the chief function of a senator is to act as an agent of office-seekers and distributor of "patronage," that time is garrison at Bacolor.

The officials arrest now. But whatever desire there may be of McBride's re-election is entertained by men of this class; whatever effort may be made to re-elect him will be directed solely by them. It is time, high time, to protest against further subscript. rected solely by them. It is time, high time, to protest against further subordination of the great interests of the state to petty and selfish politics, and against obscuration or eclipse of its name and fame by concession of priority to such purposes.

WAR IN THE TRANSVALL. Progress of the Fight Between Briton

and Boer. LONDON, January 21.—The war office GENE A. SHERWIN. shortly after midnight posted the fol-

"General Clery with a part of General Warren's force has been in action from 6 a. m. till 7 p. m. today. By a judicious use of his artillery he has fought his wayup, capturing ridge after ridge for about three miles. The troops are now bivonacking on the ground he front of them.

not yet been ascertained."

BPEARMAN'S CAMP, January 21.—Aft- the native states. The viceroy, Lord has already agreed to report the Hepburn canal bill, and the senate com- loon at San Francisco caused a shooting terrible fire yesterday Generals Hart famine area had expanded, surpassing mittee on Inter-oceanic canals, of which

This morning at daybreak the Boers

an advance. The first kopje was carried Digua was taken unhurt in the hills. at the point of the bayonet, and the Boers retreated to the next kopje, which, like most others, was strewn with immense bowlders, surmounted by mounds

Boers relaxed slightly. The latter did other of his friends in California. not show such tenacity as previously. The Nordenfeldts were fired at long intervals and their cannon but seldom. Apparently the Boers were short of ammunition: All day the roar of musketry fire continued. The British took three Boer positions on the mountain and

found shelter behind the bowlders. SPEARMAN'S FARM (Natal), January 20 .- General Lyttelton's brigade, wit. a howitzer battery, crossed the Tugela January 16. The Boers fired two shotand then recalled their forces to the time that Bergen was a victim of mentrenches, the passage being uninterrupted. The British advanced in skirmishing order and the small kopies or

h summits were occupied by 6:30 p.m Wednesday the Boer trenches were vigorously shelled in front of Mount Alice, while the British remained in possession of the kopjes and plains The naval guns and the howitzer battery made good practice, thoroughly searching the trenches. On the Boer right a breach was made in a sandbag emplacement, where it is supposed

Boer guns had been placed. The cannonade was heavy and continuous and the Boers were observed leaving the trenches in small parties. The hill facing the British position was shelled next. General Warren has forced a passage of the Tugela sever

Drying preparations simply develop dry catarrh; they dry up the secretions which adhere to the membrane and decom-pose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants and use that which cleanses, soothes and heals. Ely s Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. All druggists sell it at 50 cents or it will be mailed by Ely Brothers, 56 Warren St., N. Y.

JACOBS CONCENTRATOR.

Has fewer wearing parts and lightest running machine made; handle as much or more fore as any belt machine. The patent canyas lap belt is the best belt made for saving fine sulphurets and gold—nothing beats it. A machine that is easy to run and keep in order. and best machine made.

PRICE 8350

On board cars. Manufactured by ASHLAND IRON WORKS, Ashland, Oregon For further particulars, address: JEHU JACOBS. Prop.

HENLEY, CAL, Henley, Cal., March 20, 1899.

We have used the Frue Vanner, Triumph and Wilfley concentrators. We are now using two of the Jacobs Concentrators in our mill at Henley. We consider the Jacobs Concentrator the best machine manufactured. It does the work cleaner and saves a much higher per centage of sulphurets than other machines, and we recommend it to all mining men to be the best concentrator on the market.
